FOR FURTHER INFORMATION CONTACT: Ms. Maureen Ruskin, Office of Chemical Hazards-Metals, OSHA Directorate of Standards and Guidance, Department of Labor, Washington, DC 20210; (202) 693-1950.

SUPPLEMENTARY INFORMATION: OSHA is hosting an open informal public meeting of the U.S. Interagency GHS Coordinating Group to provide interested groups and individuals with an update on GHS-related issues and an opportunity to express their views orally and in writing for consideration in developing U.S. Government positions for the upcoming UNSCEGHS meeting. Interested stakeholders may also provide input on issues related to OSHA's activities in the U.S. - Canada Regulatory Cooperation Council (RCC) at the meeting. Copies of proposals and the meeting agenda may be obtained from the United Nations Transport Division's Web site at: <http://www.unece.org/trans/main/dqdb/dgsubc4/c42014.html>.

AGENDA TOPICS: Review of working papers, OSHA activity in the U.S., Regulatory Cooperation Council (RCC) Update.
