Note:

The 'Request' represents 80% of the State's estimated budget.

The 'Percent of Funding' is the percentage of the budget represented by allocation.

¹State Programs that have both a 60105 and 60106 program. These states have had their 60105 and 60106 funding combined and shown as the figure represented in the table, therefore budget, request and allocation figures represent funding for both programs.

²Within the first 3 years of a new program a minimum score of 90% shall be automatically given.
