

Registration Fee Table

As Amended by the Final Rule of April 19, 2013

The current registration fees were established in a Final Rule published in the Federal Register on April 19, 2013. This rule lowered the fees for registration year 2013-2014. The fees for registration years between 1992-1993 and 2012-2013, and for 2014-2015 and following, remain as previously established. The fees for registration periods affected by this rule are printed in bold type in this table.

One, two, or three year periods of registration are permitted for years beginning July 1, 2000, and later. The fees for all possible registration periods and business types are listed in this table. All fees include the appropriate processing fee.

Not-for-profit Organizations:

- Beginning with the 2003-2004 registration year, all not-for-profit organizations pay the same fee as a small business, regardless of the size of the organization.
- For the 2000-2001, 2001-2002, and 2002-2003 registration years, the amount of the fee for a not-for-profit organization depends on the business size. For registration periods including these years, use the columns headed "Small Business Non-Profit" or "Not-Small Business Non-Profit".
