Mr. S. V. Standley
Superintendent of Utilities
Box 147
Brazoria, TX 77422

Dear Mr. Standley:

This concerns your letter of February 20, 1974, regarding submission of an annual report (DOT-F-7100.1-1).

Section 191.9 (Distribution system: Leak report) of Title 49 of the Code of Federal Regulations (49 CFR) requires operators of distribution systems to report on Form DOT-F-7100.1 certain leaks which occur in their system. Due to the number of customers which you serve, you are not required to submit this report.

Section 191.11 (Distribution system: annual report) 49 CFR requires operators of natural gas systems to annually report on Form DOT-F-7100.1-1 regardless of the number of customers which they serve. You are therefore required to submit this report.

Thank you for your continued cooperation in matters of pipeline safety.

Sincerely,

Joseph C. Caldwell
Director
Office of Pipeline Safety
