Dear Mr. Katz:

This is in response to your correspondence of February 24, 1993, requesting a copy of the anti-drug model plan which this office is developing.

An extensive working draft of the proposed anti-drug model plan has been completed and is currently being evaluated by the committee members who were responsible for its development. We anticipate that the finished product may be available within the next 30-60 days.

A copy of the model plan will be forwarded to you upon its completion.

Thank you for your inquiry. Please let me know if you need additional information about our drug testing requirements.

Sincerely,

Richard L. Rippert  
Drug Compliance Coordinator  
Office of Pipeline Safety
