

# **HMEP Grant Program Final Report 2010-2011**

All HMEP grantees are required to submit a Final Report within 90 days of the completion of each budget period. Grantees may utilize this Final Report template to satisfy the requirement.

The HMEP Final Report is comprised of three parts:

## **I. The Financial Status Report, Standard Form 425 (SF-425)**

The SF-425 must be used to complete financial reporting for each grant period funded. A final SF-425 should be submitted to the HMEP Grants Manager within 90 days of the completion of each budget period.

## **II. HMEP Grant Accountability Questions**

Beginning with the '08 - '09 Budget Period (10/1/08 – 9/30/09), grantees must respond to questions regarding grant related activities that took place during the budget period. These questions are divided between two parts, the Report on Authorized Expenditures and the Report on HMEP Grant Accomplishments.

## **III. The Final Program Narrative**

The narrative portion of the final report allows the grantee to detail the hazardous materials emergency preparedness planning and training activities that were performed during the budget and funded with HMEP grant monies.

A completed final report should be submitted to the HMEP Grant program office via email, [HMEP.grants@dot.gov](mailto:HMEP.grants@dot.gov). (Fill out this form and "Save As" a PDF file.) If you have questions, please contact the HMEP Grant program office:

### **III. The Final Program Narrative**

For Planning programs, the narrative should include the following:

1. Quantitative and qualitative assessment of development, improvement and implementation of emergency plans

2. Systems to determine and maintain information on flow patterns of hazardous materials

3. Need for regional response teams

4. Local response capabilities

5. Plans for conducting drills and exercises

6. Description of progress made toward meeting planning objectives as stated in your application

7. Description of unmet planning objectives and proposed approach to meet the objectives

Additional Planning Information (Optional)

For Training programs, the narrative should include the following:

8. Number of public sector employees needing training

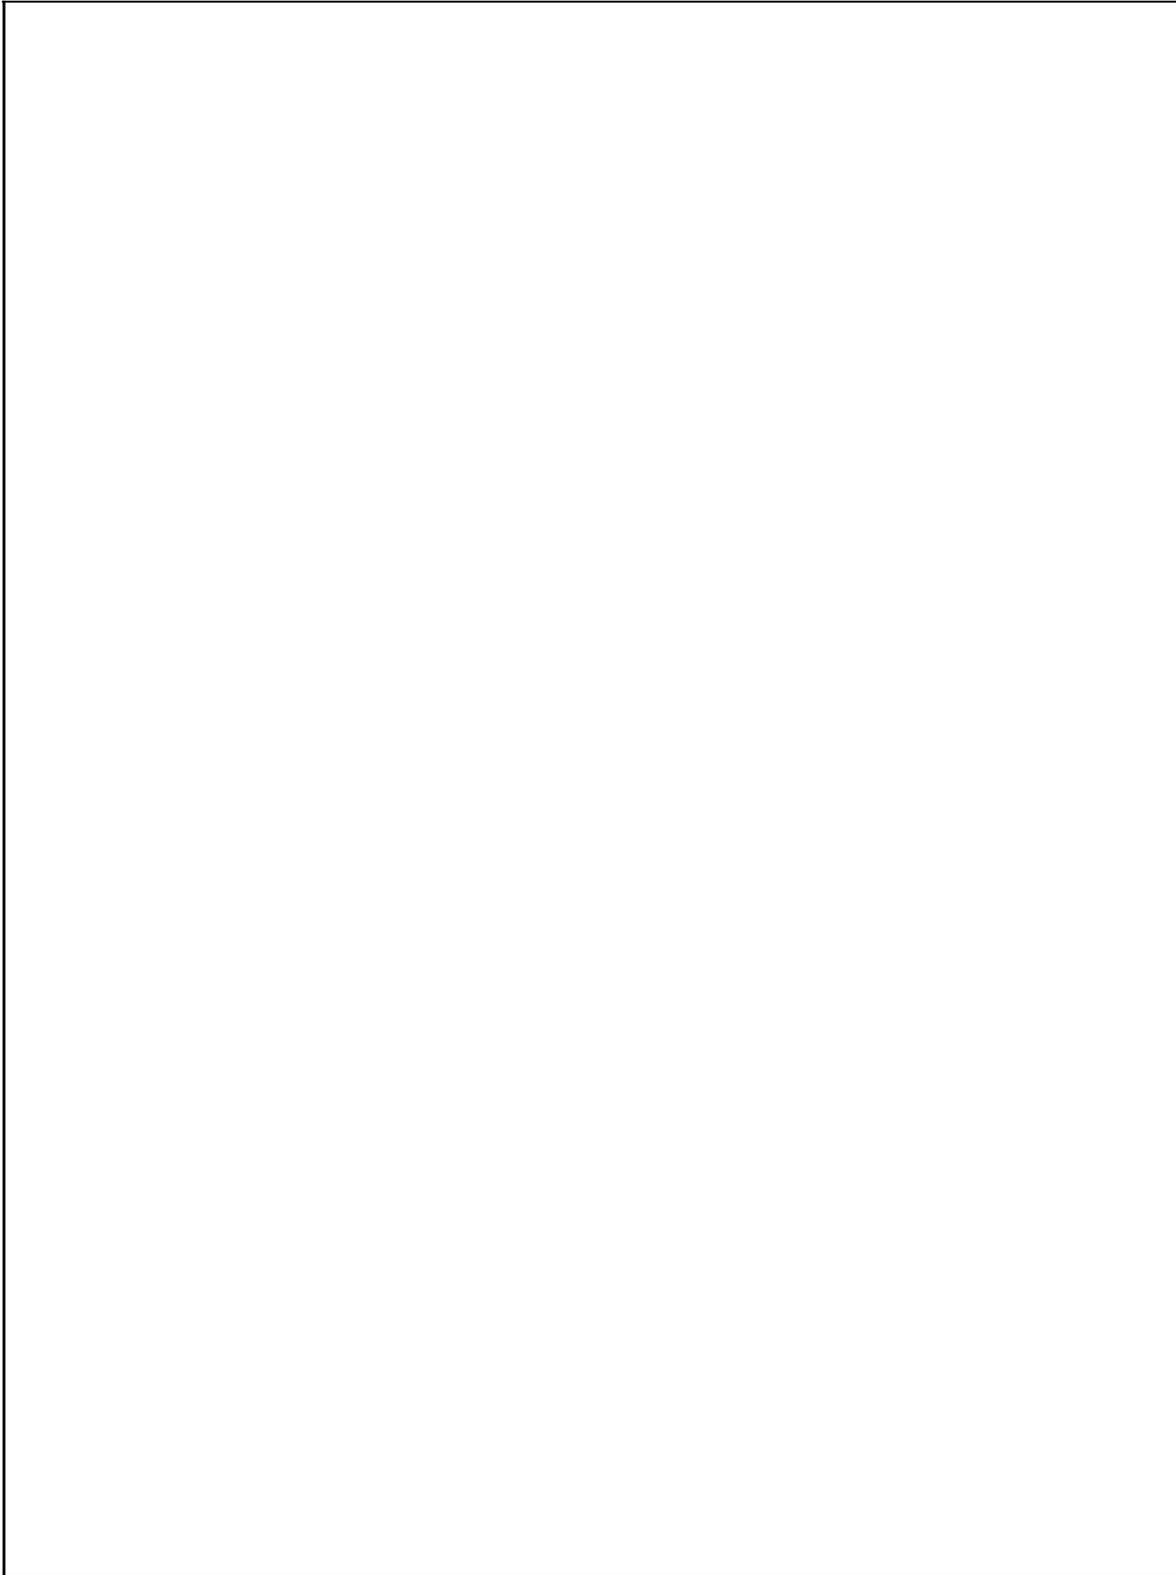

9. Training delivered to public sector employees

10. Training drills and exercises completed and planned

11. Description of progress made toward meeting training objectives as stated in your application

12. Description of unmet training objectives and proposed approach to meet the objectives

14. For those states that provided funding to LEPCs for training, provide the number of LEPCs to receive funding for training with the amount received for each. Provide the number of people (fire, police, EMS, other) in each level who received hazmat training in the past year in accordance with OSHA 1910.120. Break down the number of people trained in each hazmat level: Awareness, Operation, Specialist, Technician, and annual refresher training by level in accordance with OSHA 1910.120. Provide information on who provided the training, the number trained for each, and the type of training delivered. Was the training fully funded or funded in part\*\* by HMEP grant funds?

15. For those grantees that provided funding to LEPCs, were classes offered other than those in accordance with NFPA or OSHA standards? If so, how was the offering of the course determined, the number of people trained, and the type of training conducted.

**FY11 HMEP Accountability Questions**

16. Was the training provided based on a change in the emergency plan or lessons learned through exercises? If so, explain.

					<b>Explanation, if Yes</b>
Was training provided based on a change in the emergency plan?	Yes	<input type="radio"/>	No	<input type="radio"/>	
Was training provided based on a change in lessons learned?	Yes	<input type="radio"/>	No	<input type="radio"/>	
Was training provided based on something other than a change in the emergency plan or lessons learned?	Yes	<input type="radio"/>	No	<input type="radio"/>	

\* “Other” may include Public Works, EOC, emergency support functions, liaison officer, safety officer personnel, etc..

\*\* If HMEP funds are used in any way, it counts as in part (e.g. books, prerequisite training, training equipment, etc.).
