polyethylene shipping/storage case, part number 13305402-509, must be as described in JAVELIN's application on file with the Office of Hazardous Materials Exemptions and Approvals.

b. OPERATIONAL CONTROLS - No additional requirements other than as required by the HMR.

8. SPECIAL PROVISIONS:

a. DOD personnel may offer the package for transportation in commerce provided they are in compliance with this exemption and the HMR.

b. A current copy of this exemption must be maintained at each location where each package is offered for transportation.

c. This exemption serves as a Competent Authority Approval (CA-9904012), issued by the Associate Administrator for Hazardous Materials Safety, Research and Special Programs Administration (RSPA), of the United States Department of Transportation, in accordance with Part 1, Paragraph 1.1 of the International Civil Aviation Organization Technical Instructions for the Safe Transport of Dangerous Goods by Air (ICAO TI).

9. MODES OF TRANSPORTATION AUTHORIZED: Motor vehicle, cargo aircraft only, and passenger-carrying aircraft.

10. MODAL REQUIREMENTS: No additional requirements other than as required by the HMR.

11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this exemption and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:

o All terms and conditions prescribed in this exemption and the Hazardous Materials Regulations, 49 CFR Parts 171-180.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this exemption must receive training on the requirements and conditions of this exemption in addition to the training required by §§ 172.700 through 172.704.

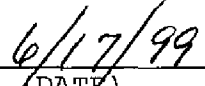

No person may use or apply this exemption when the exemption has expired or is otherwise no longer in effect.

12. REPORTING REQUIREMENTS: The carrier is required to report any incident involving loss of packaging contents or packaging failure to the Associate Administrator for Hazardous Materials Safety (AAHMS) as soon as practicable. (Sections 171.15 and 171.16 apply to any activity undertaken under the authority of this exemption.) In addition, the holder(s) of this exemption must inform the AAHMS, in writing, of any incident involving the package and shipments made under the terms of this exemption.
