b. TESTING - Each tank car shall be requalified in accordance with the provisions of § 180.509 no later than December 31, 2005.

c. MARKING - Each tank car operating under the terms of this exemption shall be marked "DOT-E 12397" in letters and numerals at least 4 inches high on a contrasting background above the specification markings. In addition, each tank car shall be stenciled with the next inspection interval, as specified in paragraph 7.b. above, in accordance with Appendix C of the Association of American Railroads Specification for Tank Cars, M-1002, dated January 1, 1996.

8. SPECIAL PROVISIONS:

a. A person who is not a holder of this exemption who receives a package covered by this exemption may re-offer it for transportation provided no modifications or changes are made to the package and it is re-offered for transportation in conformance with this exemption and the HMR.

b. A current copy of this exemption must be maintained at each facility where the package is offered or re-offered for transportation.

c. Additional description requirements in § 172.203(a) for shipping papers is waived.

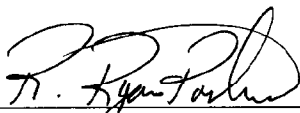

- 9. MODES OF TRANSPORTATION AUTHORIZED: Rail freight.
- 10. MODAL REQUIREMENTS: None other than as required by the HMR.
- 11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this exemption and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. Section 5101 et seq:
 - o All terms and conditions prescribed in this exemption and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
 - o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this exemption must receive training on the requirements and conditions of this exemption in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this exemption, including display of its number, when the exemption has expired or is otherwise no longer in effect.

- 12. REPORTING REQUIREMENTS: The carrier is required to report any incident involving loss of packaging contents or packaging failure to the Associate Administrator for Hazardous Materials Safety (AAHMS) as soon as practicable. (Sections 171.15 and 171.16 apply to any activity undertaken under the authority of this exemption.) In addition, the holder(s) of this exemption must inform the AAHMS, in writing, of any incident involving the package and shipments made under the terms of this exemption.
