1. GRANTEE: David Bradshaw
   Decatur, IL

2. PURPOSE AND LIMITATION:
   a. This special permit authorizes the grantee to perform the functions of a Design Certifying Engineer (DCE) without meeting certain requirements in § 171.8. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein.
   b. The safety analyses performed in development of this special permit only considered the hazards and risks associated with transportation in commerce.
   c. No party status will be granted for this special permit.
   d. This special permit will not be renewed.

4. REGULATIONS FROM WHICH EXEMPTED: Under the definition of Design Certifying Engineer (DCE) in 49 CFR § 171.8 in that the grantee does not meet the minimum qualification requirements.

5. BASIS: This special permit is based on the March 5, 2007 application of David Bradshaw submitted in accordance with § 107.109.
6. SPECIAL PROVISIONS:

a. In lieu of meeting the requirements of the DCE definition in 49 CFR 171.8, the grantee alternatively meets the specific work experience and education provided in the September 18, 2005 application, which is on file with the Office of Hazardous Materials Special Permits and Approvals.

NOTE: This special permit is for a limited time in order for the grantee to take the necessary exams in order to meet the definition of a DCE in 49 CFR.

7. MODAL REQUIREMENTS: None as a requirement of this special permit.

8. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:

   o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.

   o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.

   o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.
Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)- 'The Hazardous Materials Safety and Security Reauthorization Act of 2005' (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term 'exemption' to 'special permit' and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

9. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.
