**Pipeline and Hazardous
Materials Safety Administration**

DOT-SP 14816
(FIRST REVISION)

EXPIRATION DATE: May 31, 2009

1. GRANTEE: Union Oil Company of California (UOCC)
Anchorage, AK
2. PURPOSE AND LIMITATION:
 - a. This emergency special permit authorizes the transportation in commerce of liquid nitrogen in non-DOT specification vacuum insulated steel portable tanks which exceed the quantity limitations when shipped by air. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.
 - b. The safety analyses performed in development of this special permit only considered the hazards and risks associated with transportation in commerce. The safety analyses did not consider the hazards and risks associated with consumer use, use as a component of a transport vehicle or other device, or other uses not associated with transportation in commerce.
 - c. No party status will be granted to this special permit.
3. REGULATORY SYSTEM AFFECTED: 49 CFR Parts 106, 107 and 171-180.
4. REGULATIONS FROM WHICH EXEMPTED: 49 CFR 172.101 Table, Column (9B) and § 173.27(b)(3), in that the quantity limitation for cargo aircraft is exceeded, and § 172.302(c) in that the marking requirements are waived.
5. BASIS: This emergency special permit is based on the application of Union Oil Company of California (UOCC) dated

March 25, 2009

February 20, 2009, submitted in accordance with § 107.117 and a determination that it is necessary to prevent significant economic loss and additional information dated March 20, 2009.

6. HAZARDOUS MATERIALS (49 CFR § 172.101):

| Hazardous Materials Description | | | |
|--|---------------------------|-----------------------|---------------|
| Proper shipping name | Hazard Class/ Division | Identification Number | Packing Group |
| Nitrogen, refrigerated liquid (<i>cryogenic liquid</i>) | 2.2 | UN1977 | N/A |

7. SAFETY CONTROL MEASURES:

a. PACKAGING - Prescribed packagings are three (3) non-DOT specification vacuum insulated steel portable tanks authorized under and operated in full compliance with the terms and conditions of DOT special permits DOT-SP 12211, DOT-SP 12018, or DOT-SP 11186, with a maximum capacity of 2,300 gallons.

b. OPERATIONAL CONTROLS -

(1) Transportation is authorized by Lynden Air Cargo, LLC, from Anchorage, AK to Tyonek, AK, a distance of approximately 30 miles and return.

(2) Tanks must be blocked and braced to prevent movement in the aircraft during transportation. Tank vents must be connected to the aircraft atmospheric venting port during transport to prevent oxygen displacement in case of a venting condition.

(3) All tank filling operations must be performed by Air Liquide in Anchorage, AK.

(4) One-Way Travel time requirements must be in accordance with the provisions of DOT-SP 11186.

March 25, 2009

8. SPECIAL PROVISIONS:

a. A person who is not a holder of this special permit who receives a package covered by this special permit may reoffer it for transportation provided no modifications or changes are made to the package or its contents and it is reoffered for transportation in conformance with this special permit and the HMR.

b. A current copy of this special permit must be maintained at each facility where the package is offered or reoffered for transportation.

c. The marking requirements of § 172.302(c) are waived.

9. MODES OF TRANSPORTATION AUTHORIZED: Cargo aircraft only.

10. MODAL REQUIREMENTS: A current copy of this special permit must be carried aboard each aircraft used to transport packages covered by this special permit. The shipper must furnish a copy of this special permit to the air carrier before or at the time the shipment is tendered.

11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:

- o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
- o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.
- o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

March 25, 2009

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)- "The Hazardous Materials Safety and Security Reauthorization Act of 2005" (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term "exemption" to "special permit" and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.

Issued in Washington, D.C.:

for Theodore L. Willke
Associate Administrator for Hazardous Materials Safety

Address all inquiries to: Associate Administrator for Hazardous Materials Safety, Pipeline and Hazardous Material Safety Administration, U.S. Department of Transportation, East Building PHH-30, 1200 New Jersey Avenue, Southeast, Washington, D.C. 20590.

Copies of this special permit may be obtained by accessing the Hazardous Materials Safety Homepage at http://hazmat.dot.gov/sp_app/special_permits/spec_perm_index.htm Photo reproductions and legible reductions of this special permit are permitted. Any alteration of this special permit is prohibited.
