(FOURTH REVISION)

EXPIRATION DATE: 2028-03-31

(FOR RENEWAL, SEE 49 CFR 107.109)

1. GRANTEE: FedEx Ground Package System, Inc.
Moon Township, PA
2. PURPOSE AND LIMITATION:
 - a. This special permit authorizes the return shipment by motor vehicle of hazardous materials that have been accepted by FedEx Ground Package System, Inc., transported, and subsequently determined to be non-compliant with the Hazardous Materials Regulation's shipping paper, marking or labeling requirements. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.
 - b. The safety analyses performed in the development of this special permit only considered the hazards and risks associated with the transportation in commerce.
 - c. No party status will be granted to this special permit.
3. REGULATORY SYSTEM AFFECTED: 49 CFR Parts 106, 107 and 171-180.
4. REGULATIONS FROM WHICH EXEMPTED: 49 CFR §§ 172.202 and 172.203(c), (k) and (m) in that an incorrect shipping paper may be identified on an addendum, §§ 172.301 and 172.400 in that either proper marks or labels are required but not both, and § 172.301(c) in that the special permit number need not be marked on the package.
5. BASIS: This special permit is based on the application of FedEx Ground Package System, Inc. dated February 22, 2024, submitted in accordance with § 107.109.

Tracking Number: 2024024857

3 - Excludes Type A, B and C materials.

4 - Excludes materials which require temperature control.

7. SAFETY CONTROL MEASURES:

a. PACKAGING: Packaging must be a combination packaging authorized by the HMR. Each package may not exceed a maximum gross weight of 32 kg (70 pounds).

b. OPERATIONAL CONTROLS:

(1) Each shipment made under this special permit must be accompanied by a checklist which—

(i) Identifies any areas of non-compliance such as shipping papers, markings, and labels; and

(ii) Has the special permit number "DOT-SP 14823" noted on it and references the original shipping paper.

(2) Transportation is only authorized in FedEx Ground Package System, Inc. vehicles from the point of discovery back to the offeror.

(3) Transportation by FedEx Ground Package System, Inc. is authorized only up to 150 miles from the point of discovery.

(4) Each package must have at least a proper marking or a proper label to be transported under the terms of this special permit. An undeclared package (i.e., a package with no marks or labels) may not be transported under the terms of this special permit.

8. SPECIAL PROVISIONS:

a. A material meeting the definition of a material poisonous by inhalation (see § 173.132(a)(1)(ii)) may not be transported under the terms of this special permit.

b. FedEx Ground Package System, Inc. must develop and implement a quality assurance program for customers who offer packages of hazardous materials incorrectly to ensure corrective actions are taken.

c. FedEx Ground Package System, Inc. must develop and implement a quality assurance program for drivers who accept packages of hazardous materials incorrectly to ensure corrective actions are taken.

d. FedEx Ground Package System, Inc. must utilize a driver reminder card (on file with the Office of Hazardous Materials Safety) to assist employees that receive hazardous materials packages for initial receipt for transportation.

e. This special permit does not relieve FedEx Ground Package System, Inc. from carrier responsibility.

f. A current copy of this special permit must be maintained at each facility where this special permit is utilized.

9. MODES OF TRANSPORTATION AUTHORIZED: Motor Vehicle.
10. MODAL REQUIREMENTS: A current copy of this special permit and the addendum identifying errors must be carried on board each motor vehicle used to transport the hazardous materials covered by this special permit.
11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:
 - o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
 - o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.
 - o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) — “The Hazardous Materials Safety and Security Reauthorization Act of 2005” (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term “exemption” to “special permit” and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of this

special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.
