1. **GRANTEE:**  Sears National Calibration Laboratory  
Garland, TX

2. **PURPOSE AND LIMITATION:**
   a. This special permit authorizes the transportation in commerce of certain cylinders that have requalification markings on a label embedded in epoxy in lieu of stamping. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.
   b. The safety analyses performed in the development of this special permit only considered the hazards and risks associated with the transportation in commerce.
   c. No party status will be granted to this special permit.

3. **REGULATORY SYSTEM AFFECTED:**  49 CFR Parts 106, 107 and 171-180.

4. **REGULATIONS FROM WHICH EXEMPTED:**  49 CFR § 180.213(c) in that the cylinder is marked by using a label in lieu of the methods prescribed therein.

5. **BASIS:**  This special permit is based on the application of Sears National Calibration Laboratory dated October 19, 2009 and additional information dated November 3, 2009 submitted in accordance with § 107.105 and the public proceeding thereon.
6. **HAZARDOUS MATERIALS (49 CFR § 172.101):**

7. **SAFETY CONTROL MEASURES:**

   a. **PACKAGING** - Packagings prescribed are DOT specification cylinders authorized for the transportation of the materials listed in paragraph 6 of this special permit. All design and specification marking requirements of the applicable cylinder specification contained in Part 178 of the HMR must be met.

   b. **OPERATIONAL CONTROLS** -

      (1) Requalification markings may be made by affixing a label to the cylinder in lieu of stamping, engraving, or scribing. The label must be embedded in epoxy. The marking must be legible and durable throughout the life of the cylinder.

      (2) This special permit is only authorized for Sear’s National Calibration Lab Retester Identification Number(s) (RIN) and for internal Sears use only cylinders.
8. **SPECIAL PROVISIONS:**

   a. A person who is not a holder of this special permit who receives a package covered by this special permit may reoffer it for transportation provided no modification or change is made to the package and it is reoffered for transportation in conformance with this special permit and the HMR.

   b. A current copy of this special permit must be maintained at each facility where the package is offered or reoffered for transportation.

   c. In addition to the required specification marking, each cylinder must be plainly and durably marked “DOT SP 14937” as specified in § 172.301(c).

9. **MODES OF TRANSPORTATION AUTHORIZED:** Motor vehicle.

10. **MODAL REQUIREMENTS:** A current copy of this special permit must be carried aboard each motor vehicle used to transport packages covered by this special permit.

11. **COMPLIANCE:** Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:

   - All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.

   - Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.

   - Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.
No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)—“The Hazardous Materials Safety and Security Reauthorization Act of 2005” (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term “exemption” to “special permit” and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 – Immediate notice of certain hazardous materials incidents, and 171.16 – Detailed hazardous materials incident reports. In addition, the grantee(s) of this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.

Issued in Washington, D.C.:
