EXPIRATION DATE: 2022-04-30

(FOR RENEWAL, SEE 49 CFR 107.109)

1. **GRANTEE:** Roylco, Inc.
   Anderson, SC

2. **PURPOSE AND LIMITATIONS:**

   a. This special permit authorizes the manufacture, mark, sale and use of non-DOT specification packaging intended for the transportation of recalled lithium ion batteries contained in equipment. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.

   b. The safety analyses performed in development of this special permit only considered the hazards and risks associated with transportation in commerce. The safety analyses did not consider the hazards and risks associated with consumer use, use as a component of a transport vehicle or other device, or other uses not associated with transportation in commerce.

   c. This special permit serves as an approval under § 173.185(g), and as a “Competent Authority Approval” as defined under 49 CFR § 107.1.

3. **REGULATORY SYSTEM AFFECTED:** 49 CFR Parts 106, 107 and 171-180.

4. **REGULATIONS FROM WHICH EXEMPTED:** 49 CFR § 173.21(c) in that batteries which are likely to create sparks or generate a dangerous evolution of heat are forbidden, 49 CFR § Subparts C through H of Part 172 in that shipping papers, marking, labeling, emergency response information, and training are
required for damaged or defective lithium ion cells or batteries (including those contained in equipment) and § 173.185(f) in that fiberboard outer packagings for recalled batteries are not authorized, except as provided herein.

5. **BASIS:** This special permit is based on the application of Roylco, Inc. dated May 9, 2010, submitted in accordance with § 107.10.

6. **HAZARDOUS MATERIALS (49 CFR 172.101):**

7. **SAFETY CONTROL MEASURES:** The recalled cell (14.8 Wh) in the Educational Light Cube (Model Number R59601) must be returned intact in the light cube by replacing the original outer packaging with the new non-specification corrugated fiberboard outer packaging specified herein.

   a. **OPERATIONAL CONTROLS:**

   (1) Shipments are only authorized in support of a recall involving the Educational Light Cubes Model R59601 in response to a corrective action plan by the U.S. Consumer Product Safety Commission.

   (2) Shipments of recalled lithium ion cells contained in equipment are limited to the Light Cubes from consumer customers to designated product return centers and Roylco, Inc. facilities.

   (3) Packages must be stored away from heat.

   (4) Each shipment offered under the terms of this special permit must be accompanied by a document that includes the following:

   (i) An indication that the package contains a lithium ion cell contained in equipment;
(ii) An indication that each package is to be handled with care and that a flammable hazard exits if a package is damaged;

(iii) An indication that special procedures must be followed in the event a package is damaged; and

(iv) A telephone number for additional information.

b. TESTING: The cells in the recalled Educational Light Cube product must have been initially tested to meet the requirements in the UN Manual of Tests and Criteria, 5th Revised Edition before distribution to consumers.

c. PACKAGING: The Educational Light Cubes must be shipped for return with the original plastic light cube intact. The original fiberboard packaging must be replaced with a new non-specification outer packaging as follows:

(1) **Inner Packaging**: Plastic light cube which contains the recalled cells.

(2) **Outer Packaging**: Corrugated fiberboard box containing not more than one (1) inner packaging and sealed by adhesive tape.

d. MARKING: Each package must be marked:

(1) With the special permit number, DOT-SP 20317, in accordance with § 172.301(c);

(2) With “Damaged/defective lithium ion battery” in accordance with § 172.304 and with the lithium battery handling marking conforming to § 173.185(c) (3); and

(3) With “FORBIDDEN FOR TRANSPORT BY AIRCRAFT OR VESSEL - GROUND SHIPMENT ONLY”.

8. SPECIAL PROVISIONS:

a. In accordance with the provisions of Paragraph (b) of § 173.22a, persons may use the packaging authorized by this special permit for the transportation of the hazardous materials specified in paragraph 6, only in conformance with the terms of this special permit.
b. A person who is not a holder of this special permit, but receives a packaging covered by this special permit, may reoffer it for transportation provided no modification or change is made to the packaging and it is offered for transportation in conformance with this special permit and the HMR.

c. A current copy of this special permit must be maintained at each facility where the package is offered or reoffered for transportation.

d. Each packaging manufactured under the authority of this special permit must be either (1) marked with the name of the manufacturer and location (city and state) of the facility at which it is manufactured or (2) marked with a registration symbol designated by the Office of Hazardous Materials Special Permits and Approvals for a specific manufacturing facility.

e. A current copy of this special permit must be maintained at each facility where the packaging is manufactured under this special permit. It must be made available to a DOT representative upon request.

9. MODES OF TRANSPORTATION AUTHORIZED: Motor vehicle only.

10. MODAL REQUIREMENTS: A current copy of this special permit must be carried aboard each motor vehicle used to transport packages covered by this special permit. The shipper must furnish a copy of this special permit to the air carrier before or at the time the shipment is tendered.

11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:

   o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.

   o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.

   o Registration required by § 107.601 et seq., when applicable.
Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)—"The Hazardous Materials Safety and Security Reauthorization Act of 2005" (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term “exemption” to “special permit” and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.

Issued in Washington, D.C.:

for William Schoonover
Associate Administrator for Hazardous Materials Safety

Copies of this special permit may be obtained by accessing the Hazardous Materials Safety Homepage at http://hazmat.dot.gov/sp_app/special_permits/spec_perm_index.htm
Photo reproductions and legible reductions of this special permit are permitted. Any alteration of this special permit is prohibited.
