(FOR RENEWAL, SEE 49 CFR 107.109)

1. GRANTEE: Amazon.com, Inc.
Seattle, WA
2. PURPOSE AND LIMITATION:
 - a. This special permit authorizes the transportation in commerce of hazardous materials qualifying for a limited quantity exception, using a reduced size limited quantity mark for customer return shipments. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.
 - b. The safety analyses performed in the development of this special permit only considered the hazards and risks associated with the transportation in commerce.
 - c. No party status will be granted to this special permit.
3. REGULATORY SYSTEM AFFECTED: 49 CFR Parts 106, 107 and 171-180.
4. REGULATIONS FROM WHICH EXEMPTED: 49 CFR § 172.315(a)(2) in that the limited quantity marking is less than 100 mm on a side and placed on the shipping label regardless of the size of the packaging, as specified herein.
5. BASIS: This special permit is based on the application of Amazon.com, Inc. dated February 13, 2025, submitted in accordance with § 107.105 and the public proceeding thereon.

Tracking Number: 2025024944

6. HAZARDOUS MATERIALS (49 CFR 172.101):

Hazardous Materials Description			
Proper Shipping Name	Hazard Class/ Division	Identification Number	Packing Group
Hazardous Materials listed in the HMR other than Class 1 and Class 7 materials	Class 2.1 and 2.2, 3, 4.1, 5.1, 6.1, 8, and 9	As applicable	As applicable

7. SAFETY CONTROLS:a. PACKAGING:

- (1) Inner packages and products offered under the terms of this special permit must be free from damage and residue, not been opened or used, the original manufacture closure seal is intact, and for Division 2.1 or 2.2 materials the original manufacture valve protective devices must be securely attached.
- (2) Multiple limited quantity items may be combined into one outer package for transportation under the terms of this special permit. Each outer package may not exceed 30 kg gross weight.
- (3) A new or like new condition rigid fiberboard box provided by the grantee must be used as the outer packaging.
- (4) Packing and closure instructions of the outer packaging must be provided by the grantee to the customer.

b. OPERATIONAL CONTROLS:

- (1) Each package must bear a carrier specific tracking label capable of electronically communicating to carriers that the package contains hazardous materials shipped under a limited quantity exception and the authorized modes of transportation, including that transport by air is not authorized.
- (2) The grantee must physically or electronically provide to carriers accepting packages transported under this special permit, training materials on the terms of this permit, including how to retrieve the information described in paragraph 7.b.(1) above.

(3) Before the customer offers a package into transportation, the customer must acknowledge responsibility to comply with the grantee provided packing instructions.

(4) The grantee must provide instructions to the customer on how to contact the grantee if additional assistance is needed.

(5) This special permit is only valid for return shipments of limited quantity items purchased from the grantee of the special permit.

c. MARKING:

(1) Each limited quantity marking must be a minimum of 25 mm on each side and placed on the package tracking label. The special permit number marking required by 49 CFR 172.301(c) must be marked on the same surface of the package as the tracking or shipping label.

(2) The marking must be displayed on a background of sharply contrasting color.

(3) The reduced size marking is not authorized for use on the outside of an overpack.

(4) The grantee must provide instructions for the application of the return address label containing the marking as described in paragraph 7.c. of this special permit.

8. SPECIAL PROVISIONS:

a. A person who is not a holder of this special permit who receives a package covered by this special permit may reoffer it for transportation provided no modification or change is made to the package and it is reoffered for transportation in conformance with this special permit and the HMR.

b. A current copy of this special permit must be maintained at each facility where the package is offered or reoffered for transportation.

c. This special permit may only be used by the Amazon fulfilled network; the special permit cannot be used by “third-party sellers” operating on Amazon’s website.

9. MODES OF TRANSPORTATION AUTHORIZED: Motor vehicle and rail freight.

10. MODAL REQUIREMENTS: None.

11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:
- o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
 - o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.
 - o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) —“The Hazardous Materials Safety and Security Reauthorization Act of 2005” (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term “exemption” to “special permit” and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.
