### FOIA Log 2nd Qtr 2023

Request ID	Received Date	Organization	Request Description
<a href="#">PHMS-2023-00053</a>	01/19/2023	CA Department of Conservation	requested consultation on PHMSA records located in a FOIA search for records at the California Department of Conservation regarding the San Pedro Bay Pipeline incident in CA.
<a href="#">PHMS-2023-00072</a>	02/16/2023	E&E News	requested any written communications, including emails, between these three individuals --- Pete Buttigieg, Polly Trottenberg and/or Laura Schiller and Tristan Brown, Howard McMillan and Osasu Dorsey that discuss the restart of operations at Freeport LNG's export terminal in Texas and include any of the following terms: "Freeport LNG," "restart," "resume," "LNG exports" "incident" and "explosion."
<a href="#">PHMS-2023-00075</a>	02/16/2023	Individual	requested paper copies of requests and responses regarding PHMSA FOIA Cases 2016-0014, 2015-0198 and 2015-0191.
<a href="#">PHMS-2023-00083</a>	02/23/2023	SF Bay Conservation & Development Commission	requested records regarding pipelines subject to PHMSA's regulatory jurisdiction which cross state waters specifically within the Bay Area. The scope of this FOIA request is not for any upland portion of any pipeline within the Bay Area; only those portions of pipelines which traverse Bay water, whether within the Bay itself (e.g., laying on or buried within the bed of the Bay) or suspended over the Bay (e.g., attached to a bridge).
<a href="#">PHMS-2023-00092</a>	03/09/2023	DOT/OST	DOT - TEST
<a href="#">PHMS-2023-00101</a>	03/21/2023	Individual	requested incoming and responses to PHMSA FOIA Cases 2019-0071, 2019-0075, 2019-0084.
<a href="#">PHMS-2023-00102</a>	03/23/2023	Wall Street Journal	requested copies of all agreements and/or contracts entered into under the Department of Transportation's Other Transaction Authority (OTA) in FY 2021 and FY 2022. Please include all modifications and change orders.
<a href="#">PHMS-2023-00103</a>	03/24/2023	ProposalHelper LLC	requested: "...the previous RFP document...for Award ID 693JK320A000004. Title: Logical Follow On to Develop BPA Incumbent: General Dynamics Information Technology, Inc. UEI: SMNWM6HN79X5 Start date - April 27, 2020, End Date - March 05, 2023."
<a href="#">PHMS-2023-00043</a>	01/04/2023	Tyson & Mendes	requested specific records from the Departmental FOIA Office regarding 1,1-difluorethane (DFE), and the request was transferred to PHMSA, for direct response.
<a href="#">PHMS-2023-00044</a>	01/05/2023	Kansas Reflector	requested 30-day accident reports filed by TC Oil Operations and root cause failure analyses, Corrective Action Order (3-2022-074) documentation between

			January 1, 2010 and November 30, 2022, in-line inspection results, mechanical and metallurgical testing, remedial workplan, restart plan, special permit applications, results and notification(s) if the permit was granted, denied or altered.
PHMS-2023-00045	01/09/2023	Argus Media	requested copy of the Keystone Pipeline restart plan submitted by TC Energy related to the December 7, 2022 spill and CPF 3-2022-074.
PHMS-2023-00046	01/09/2023	Taylor & Ring	requested all records regarding a fatal accident on February 16, 2018 involving a Western Concrete Pumping Truck in the City of Rialto, County of San Bernardino, California.
PHMS-2023-00047	01/10/2023	Norgasco, Inc.	requested an inspection report for any related asset for the Norgasco, Inc. 2021 PHMSA Inspection, OPID 13639.
PHMS-2023-00048	01/10/2023	Peacock Piper	requested a voluminous amount of records regarding Amplify and/or Beta Offshore Pipeline including searches on (49) possible legal entities owned or operated by Beta Offshore Unit with various dates ranging from 1980 to the present time.
PHMS-2023-00106	03/31/2023	Kanner & Whiteley, L.L.C.	requested all records including any correspondence concerning the Pegasus Pipeline which runs from Patoka, IL to Corsicana, TX to include the Restart Plan, Remedial Work Plan, Spill Response Plan, Metallurgical Testing, Hydrostatic Testing, In Line Inspections, Valve Studies and evaluations of pipeline susceptibility to longitudinal seam failure.
PHMS-2023-00096	03/10/2023	Individual	copy of the request letter from each of the 20 oldest pending FOIA requests at PHMSA, and a copy of the appeal letter from each of the 8 oldest pending FOIA administrative appeals at PHMSA.
PHMS-2023-00097	03/13/2023	Corsiglia McMahon & Allard, LLP	requested all hazardous materials certificates, licenses and permits issued to Green Valley Farm Supply, Inc. from 2020 to present date. All hazardous materials certificates, licenses and permits issued to Pinnacle Application, Inc. from 2020 to present date.
PHMS-2023-00098	03/14/2023	Ogden Murphy Wallace, PLLC	Your request stated certain representations made by DOT in a Status Report filed with the United States Court of Appeals for the District of Columbia on March 6, 2023, in Case No. 20-1317 (herein, "Status Report"), in that Status Report, PHMSA states: PHMSA is working diligently on these two rulemakings, including by continuing to conduct testing and other research activities. PHMSA is also taking a hard look at the prioritization of safety-enhancing rulemaking efforts related to the transportation of hazardous materials by rail, in light of the recent derailment in East Palestine, Ohio, and potential forthcoming legislation. As detailed in prior status reports, PHMSA has announced target dates for the rulemakings, and it has revised those target dates as it monitors its progress. Status Report at p. 3. This FOIA request seeks all Records concerning: 1. The "testing and other research activities" referred to in the Status Report; 2. The "hard look at the prioritization of safety-enhancing rulemaking efforts related to the transportation of hazardous materials by rail" referred to in the Status Report.
PHMS-2023-00099	03/20/2023	Individual	requested all records and information provided under Job/Request ID: "PHMS-2022-00166" received on 09/01/2022 within the DOT FOIA Log 4th Qtr - 2022

			and any other subsequent records related to the Beta Offshore Pipeline in San Pedro Bay.
PHMS-2023-00100	03/21/2023	Antea Group	requested any and all documents (including but not limited to investigations reports, testing, communications, permits, licenses, and data) related to the gasoline leak on Colonial Pipeline Company's Line 01 discovered by Colonial on September 9, 2016 ("CR-91 event"); request any available documentation as it relates to with release volumes, flow rate, mass balance calculations, pipeline logs, and operations logs; and request these records and the pipeline logs and operations logs for Line 01 for a period of 120 days prior to the date of discovery of September 9, 2016.
PHMS-2023-00105	03/28/2023	Atmos Energy, Inc.	requested copies of documents requested by PHMSA in Item 6 and Item 7 in the Southern Natural CPF No. 2-2022-007-CAO.
PHMS-2023-00089	03/03/2023	Individual	requested copies of any and all communications regarding train derailment legislation to or from Senator Bob Casey, Jr. and/or his office; copies of any and all communications to/from/including any email format ending in the following (@casey.senate.gov), specifically, but not limited to the following email addresses Joycelyn_pickens@casey.senate.gov; Allegra_smith@casey.senate.gov; Landy_wade@casey.senate.gov; natalie_adams@casey.senate.gov; adam_fontaine@casey.senate.gov; kristen_gentile@casey.senate.gov; leah_mercik@casey.senate.gov; sara_maskornick@help.senate.gov ; mairead_lynn@casey.senate.gov; and, kennedy_odell@casey.senate.gov.
PHMS-2023-00090	03/08/2023	WDIV Local News	requested copies of all documents, charts, correspondence and photographs which document location, cause and amount of leaks or spills of Enbridge Line 5 pipeline within the U.S., from January 1, 2013 to present; and copies of all documents, charts, correspondence and photographs which document location, cause and amount of leaks or spills of all other Enbridge pipeline within the state of Michigan, from January 1, 2013 to present.
PHMS-2023-00091	03/09/2023	McCune Law Group	"any records related to or reflecting enforcement action taken against Landstar by PHMSA between 01/01/2017 and 03/09/2023 for any violation of a law or regulation related to the transport of hazardous materials; any records related to or reflecting any fine imposed on Landstar by PHMSA between 01/01/2017 and 03/09/2023 for any violation of a law or regulation related to the transport of hazardous materials," for Landstar System, Inc and Landstar Inway, DOT# 216939, Landstar Ranger, DOT# 241572, Landstar Express America, DOT# 43869.
PHMS-2023-00093	03/10/2023	UC Berkeley	requested copies of the following documents be provided: inspection records of the Chevron refinery in Richmond, California; specifically, records from January 1, 2010 to the present.
PHMS-2023-00094	03/14/2023	Grant & Eisenhofer P.A.	requested any and all documents, communications, between 2/3/2023 and 2/6/2023 related to Norfolk Southern Freight Train 32N involved in the East Palestine, OH Train Derailment to include ownership of the transported rail cars, inspection maintenance,

			overhaul, destruction, removal of wayside detectors , data, videos, documents from data event recorders; materials relating to the planning, preparation, approval, and/or execution of the controlled release or vent and burn; decisions to issue and or amend evacuation and shelter in place orders; identity of the materials transferred or removed and the quantity of each material and any cleanup effort of hazardous materials or chemical to include the surrounding area, residences, buildings, soil, air and water.
PHMS-2023-00095	03/10/2023	The Wall Street Journal	TSA referred 5 pages of PHMSA records located in their FOIA search for records in response to your request for "copies of all documents created by the Surface Transportation Security Advisory Committee, which was stood up in April 2019 in response to the TSA Modernization Act of 2018, as well as documents submitted to the group for its consideration or education by others, including the Transportation Security Administration. Examples of the documents being requested include the following: meeting agendas, minutes of meetings, written transcripts of meetings, presentation materials, white papers, resolutions from the committee and other written information that would help me understand the committee's work."
PHMS-2023-00082	02/22/2023	E&E News	requested copies of the response by Freeport LNG Development, L.P., et al., to federal regulators' Feb. 15, 2023, data request under CP03-75, et al., which response was reportedly submitted Feb. 17.
PHMS-2023-00084	02/27/2023	SkarzynskiMarick	requested all records regarding a pipeline leak on 8/14/2020 in Huntersville, North Carolina.
PHMS-2023-00085	02/28/2023	Functional Government Initiative	requested records related to the 2/3/2023 Palestine, OH Train Derailment. Specifically, emails, calendar items, text messages, letters, and virtual meeting logs including the chats (such as from Teams or Zoom); any communications to or from anyone outside the executive branch of the federal government about whether and when the PHMSA Deputy Administrator or other officials from the Department of Transportation would visit East Palestine, Ohio, the site of the recent train derailment involving toxic cargo. These include Deputy Administrator Tristan Brown, Scheduler for the Deputy Administrator, Office of Governmental Affairs, and PHMA Public Affairs.
PHMS-2023-00086	02/28/2023	DailyMail	requested all emails sent or received by Tristan Brown, Howard "Mac" McMillian and Vince Mercadante from 2/3/2023 to 2/28/2023 that relate to the train derailment that took place on 2/3/2023 in East Palestine, Ohio, as well as the responses. Also include notes or minutes of any meetings that took place about the incident and the responses.
PHMS-2023-00087	03/01/2023	The Associated Press	requested the most recent emergency response plans and/or disaster planning reports and documents submitted by Norfolk Southern; PHMSA's most recent reviews and responses to such reports that would indicate acceptance, request for revisions, and/or feedback; emails and documents between Norfolk Southern and PHMSA officials as it relates to the transport of hazardous materials on or along the route where the derailment incident occurred in East Palestine, Ohio on February 3, 2023; emergency

			response plans and/or disaster planning reports and documents submitted by Norfolk Southern since 2013; and, emails and documents between Norfolk Southern and PHMSA officials regarding High-Hazard Flammable Trains Final Rule, captured between 2013 and 2016.
PHMS-2023-00088	03/03/2023	Individual	requested copies of any and all communications regarding train derailment legislation to/from/including any email format ending in the following (@brown.senate.gov), specifically, but not limited to the following email addresses: Diana_baron@brown.senate.gov; Sarah_benzing@brown.senate.gov'; Brian_lyons@brown.senate.gov; mary_topolinski@brown.senate.gov; Carolina_young@brown.senate.gov;; Abby_duggan@brown.senate.gov.
PHMS-2023-00076	02/16/2023	E&E News	requested any written communications, including emails, between Tristan Brown, Casey Clemmons, Samantha Keitt, Howard McMillan and Osasu Dorsey that discuss the restart of operations at Freeport LNG's export terminal in Texas and include any of the following terms: "Freeport LNG," "restart," "resume," "LNG exports" "incident" and "explosion."
PHMS-2023-00077	02/17/2023	Evergreen Compliance	requested information regarding contracts or arrangement with PHMSA for pipeline safety information search services provided by ViaData LP, including the WinDOT online search tool to include: Invoices submitted by ViaData LP; Records of payments to ViaData LP, including the payment amount; Contracts between PHMSA and ViaData LP; Any other agreements for PHMSA use of the WinDOT service to include the last five (4) fiscal years. We are requesting the information listed below for a period to include the last five (5) fiscal years.
PHMS-2023-00078	02/21/2023	NBC Universal	requested information regarding the brain-computer interface company Neuralink. Please use search terms: Neuralink, Physician's Committee for Responsible Medicine and Elon Musk.
PHMS-2023-00079	02/21/2023	MuckRock News	requested information specifically emails regarding the investigation regarding the 2/3/2023 Norfolk Southern Train Derailment in East Palestine, OH. Specific search terms were provided.
PHMS-2023-00080	02/21/2023	MuckRock News	requested digital communications (including emails and Slack messages, as well as internal memoranda or presentations in document form) that relate to the organization of public statements made by this agency about the Feb. 3 Norfolk Southern freight train derailment in East Palestine, Ohio. Please restrict the date range from Feb. 3, 2023 to the time that this request is processed. Public statements include press releases, press conferences, updates to the official website, and posts on social media platforms.
PHMS-2023-00081	02/22/2023	Cozen O' Connor	requested all leak reports and any investigations regarding Operator: Louisville Gas & Electric Co.; Report Years: 2013; 2014; 2015; 2016; 2017; 2018 and 2019; Address City: Louisville, KY; Leak Location: Meter Set; Manufacturer: PERFECTION; and Model Number: SERVI-SERT. Twenty six report numbers have been listed to include in the search for records.
PHMS-2023-00068	02/09/2023	Individual	requested the investigation report regarding a February 26, 2021 pipeline incident in Carl Junction, MO

			involving personal injury of an employee of Southern Star Central Gas Pipeline.
PHMS-2023-00069	02/09/2023	Argus Media	requested TransCanada Keystone XL Mechanical and Metallurgical Test results regarding the December 7, 2022 spill in Kansas.
