PHMS-2023-00110	4/3/2023	DS Containers	requested "information relating to a striker that is in accordance with the application on file with the Office of Hazardous Materials Safety Approvals and Permits Division (OHMSAPD)."
PHMS-2023-00111	4/4/2023	Law Offices of Weinman & Associates	requested "any and all information, reports or other documents that have been filed with [PHMSA] by Energy Transfer, LP. or any of its subsidiaries, Mid-Valley Pipeline, or any other entities in relation to the Energy Transfer Partner's Mid Valley Pipeline rupture and spill that occurred in Chester County, Tennessee on or about June 29, 2022."
PHMS-2023-00112	4/4/2023	DS Containers	requested: "DOT-SP 20638 (Second Revision) -- Requesting information relating to the impact striker as described in Section 8a. SPECIAL PROVISIONS of this Special Permit where the last sentence states: 'The impact striker must be designed in accordance with the application on file with the OHMSAPD.'"
PHMS-2023-00113	4/5/2023	Physicians Committee for Responsible Medicine	requested "Records – including email communications, photographs, and video footage – related to DOT inspections or investigations of the company Neuralink, including inspections or investigations that predate the Physicians Committee's letter of Feb. 9, 2023."
PHMS-2023-00114	4/5/2023	CBS News and Stations 4	requested "a summary of all pipeline leaks, spills, accidents, and other incidents at sites overseen by PHMSA, as well as incidents that have occurred in transit, via train, truck, or airplane, that falls under your purview in the state of Colorado from Jan. 1, 2018 through the date this request is processed."
23-0016-APPL	4/6/2023	Individual	Appeal of PHMS-2022-00117.
PHMS-2023-00115	4/10/2023	Aaronson Rappaport Feinstein & Deutsch LLP	requested any and all records related to L & D Service Station Inc., located at 723 S Oyster Bay Rd, Plainview, NY 11803.
PHMS-2023-00116	4/11/2023	Dept of Ecology, State of Washington	requested "Ecology with Report 21327010 as well as any letters issued to Emerald Galvanizing of Seattle, WA in relation to the matters pertaining to Burlington Environmental and Clean Earth that PHMSA investigated."
PHMS-2023-00117	4/12/2023	Haight Brown & Bonesteel, LLP	requested all drawings, calculations and specifications in Hazmat SP 11186.
PHMS-2023-00118	4/12/2023	Schlumberger Technology Corporation	requested a copy of the original application submitted by Schlumberger when applying for DOT-SP 11227 and any correspondence between Schlumberger and PHMSA concerning issuance of DOT-SP 11227.
PHMS-2023-00119	4/18/2023	Ogden Murphy Wallace, PLLC	requested the FRA full-scale pool fire test of a new ISO LNG filled tank to be conducted during the first quarter of FY2020; the FRA full-scale tank car impact test and analysis concerning two DOT 113 tanks; the FRA safety research LNG tender crashworthiness assessment that was expected to be concluded in December 2020.; the FRA full-scale LNG tender rail highway crossing impact test; and the FRA project commenced in the fall of 2019 that was conducted for the purpose of evaluating the risk of unit trains as compared to regular merchandize trains transporting hazardous materials, including LNG. The scope of this request is December 23, 2022 - April 17, 2023.

PHMS-2023-00120	4/19/2023	Individual	requested information regarding medical fraud by several entities and individuals.
PHMS-2023-00121	4/20/2023	Compressed Gas Association	requested Non-Proprietary Information on applications for SP-204425, 16260 and 14951.
PHMS-2023-00122	4/25/2023	Depew Gillen Rathbun & McInteer LC	requested all files, documents, correspondence, and information in the care, custody, or control of the United States Pipeline and Hazardous Materials Safety Administration concerning the December 7, 2022 spill in Washington County, Kansas from TC Energy's Keystone pipeline. This request includes documents regarding the pipeline's schematics in the immediate vicinity of the spill and entire report, "Root Cause Failure Analysis (RCFA) for the Milepost 14 incident on the Cushing Extension of the Keystone Pipeline System" which was issued on April 21, 2023.
PHMS-2023-00123	4/25/2023	Delaware Riverkeeper Network	requested all records regarding the denial of Special Permit Application 20534-R submitted by Energy Transport Solutions.
PHMS-2023-00124	4/25/2023	Ring/Bender	requested all documents, communications, correspondence, reports, abandonment logs, graphical illustrations, incident evaluations, response records, enforcement documents, notices of violation, fines, or penalties relating to the oil pipeline located in Huntington Beach, California at and/or under the Talbert Channel located at or near Indianapolis Avenue; all documents, communications, correspondence, reports, graphical illustrations, incident evaluations, response records, enforcement documents, notices of violation, fines, or penalties, relating to the oil pipeline leak that occurred on or about October 6, 2022 in Huntington Beach at the Talbert Channel regarding the Talbert Channel Pipeline, Huntington Beach, CA.
PHMS-2023-00125	4/25/2023	U.S. Army Corps of Engineers	requested interagency coordination on documents regarding the October 2021 oil spill involving the Beta Unit (which is self-limiting as starting on the date of the spill and ending on date of request); and documents regarding maintenance of the of the Beta Unit from 2017 to present related to the San Pedro Pipeline.
PHMS-2023-00126	4/27/2023	Individual	requested any reports associated with a pipeline incident on 8/8/2011 which occurred off of West Smith Road, Lemont, Will County, IL involving Oneok NGL, OPID 32109.
PHMS-2023-00127	4/27/2023	Individual	requested records referenced in a September 13, 2022, Warning Letter, CPF 3-2022-063-WL, to Explorer Pipeline Company regarding inspections conducted from June 7 through September 2021 of Explorer's pipeline in Illinois, Missouri, Oklahoma, and Texas, The Warning Letter states: "Explorer failed to maintain the right-of-way (ROW) at an appropriate level for the type of patrols that were being done. During ROW inspections there were several areas noted by PHMSA as being overgrown with some areas having tree growth canopied over the pipeline." Please furnish inspection information that will allow location of ROW in Tulsa County, Oklahoma where maintenance was not appropriate.
PHMS-2023-00128	4/28/2023	The Black Vault	requested all Records Managment Self-Assessment (RMSA) reports submitted to the National Archives for the past 5 years. NARA provided records to be reviewed and requested direct response to the requester.
PHMS-2023-00129	5/1/2023	Individual	requested all inspections on the MVP from 6/4/22 until 2/15/23, and include date, name of inspector, location of inspection, and name of project.

PHMS-2023-00130	5/2/2023	Cappello & Noël	requested all communications from May 19, 2015 to the present between PHMSA and Plains Pipeline L.P. and/or Plains All American and/or their agents regarding plans for replacement and/or repair of Line 901 and Line 903 in Santa Barbara County;; all communications between PHMSA and Exxon Mobil Corp. and/or its agents regarding plans for replacement and/or repair of Line 901 and Line 903 in Santa Barbara County; all communications between PHMSA and Pacific Pipeline Company and/or its agents regarding plans for replacement and/or repair of Line 901 and Line 903 in Santa Barbara County; all communications between PHMSA Sable Offshore Corp. and/or its agents regarding plans for replacement and/or repair of Line 901 and Line 903 in Santa Barbara County.
PHMS-2023-00131	5/3/2023	-	requested full FOIA logs from 2000 to the present.
PHMS-2023-00132	5/3/2023	Flood Trial Lawyers	requested "agency records regarding a pipeline separation, explosion and fire that occurred on January 31, 2023, at approximately East Highway 85 Near FM 1582, in Pearsall, Frio County Texas."
PHMS-2023-00133	5/4/2023	Individual	requested "copies of any records that are considered agency records that have been collected on self. The records would have been collected between 1-1-1982 to the present."
PHMS-2023-00134	5/5/2023	Munger, Tolles & Olson, LLP	requested all documents and communications relating to their client Plains All American Pipeline, L.P, and Plains Pipeline, L.P. regarding the May 2016 Failure Investigation Report, Plains Pipeline, LP, Line 901 Crude Oil Release, May 19, 2015, Santa Barbara County, California; all documents and communications relating to the May 21, 2015 Corrective Action Order issued by PHMSA in the Matter of Plains Pipeline, L.P., CPF No. 5-2015-5011H, and the subsequent amendments thereto dated June 3, 2015, November 12, 2015, and June 16, 2016.; all documents and communications related to all audits conducted by PHMSA of Plains All American Pipeline, L.P.'s Line 901 between 2005 and present; all documents and communications authored by or sent to former PHMSA employee Peter Katchmar relating to Plains All American Pipeline, L.P.'s Line 901.
PHMS-2023-00135	5/5/2023	DeSmog	requested any and all images related to TC Energy's Keystone spill on December 7 and 8 of 2022 in Kansas. Images may relate to buckles, the pig, and anything related to the welding or the elbow involved in the incident
PHMS-2023-00136	5/9/2023	Levin Adamski, LLC	requested reports and materials from the investigation regarding an pipeline explosion in West Reading, PA on 3/24/2023.
PHMS-2023-00137	5/9/2023	E&E News	requested access to and copies of the root cause failure analysis from the December 2022 leak of the TransCanada Energy Keystone Pipeline in Kansas.
PHMS-2023-00138	5/10/2023	Topeka CapitalJournal	requested the Root Cause Analysis report delivered by TC Energy in April, 2023 regarding the December 7, 2022 oil spill in Washington, KS.
PHMS-2023-00139	5/11/2023	John Harte Law	requested complete profile which exhibit types of trucks to be used, load to be carried, information regarding hazardous material and complete history of records exhibiting all fines, fees, violations, and/ or citations acquired by or received by Hot Pave DOT number 2441895

PHMS-2023-00140	5/11/2023	Kansas News Service & KCUR Public Radio	requested root cause failure analysis pertaining to the Keystone pipeline oil spill that occurred in Washington County, Kansas, in December 2022. This root cause failure analysis was required under the CAO and Amended CAO, "3-2022-074-CAO.
PHMS-2023-00141	5/18/2023	BBG Real Estate Services	requested the HMIRS form for 1/18/1991 related to 7677 Tours Lane (Normandy Club).
PHMS-2023-00142	5/19/2023	Martin Jean & Jackson, PLLC	requested investigation report completed by PHMSA regarding failure of an American Welding Supply cylinder at 359089 East 5700 Road, Jennings, OK 74038.
PHMS-2023-00143	5/19/2023	Texas Adaptive Aquatics, Inc.	requested any Permits from Jan 1, 2011 to Jan 1, 2013 from Kinder Morgan Pipeline or Laney Drilling for a Pipeline that goes Under Lake Houston, Houston Texas 77336.
PHMS-2023-00144	5/22/2023	Euna Solutions	requested a copy of a winning grant application for Natural Gas Distribution Infrastructure Safety and Modernization (NGDISM) Grant Program for FY 2022, contract #693JK322NF0018 from a municipality-owned or community-owned utility. If a successful municipality-owned or community-owned utility application is not available, please provide us with a copy of a winning grant application from a non-profit or other agency that has met or exceeded the standards and expectations of the program.
PHMS-2023-00145	5/23/2023	FERC	requested consultation and review of PHMSA emails between NextDecade Corporation and PHMSA Staff marked as CUI/PRIV - DO NOT RELEASE by NextDecade Corporation in FERC's search for records under FOIA.
PHMS-2023-00146	5/24/2023	E&E News	requested "a copy of an operator response plan for Enbridge Inc.'s Line 5 pipeline, which originates in Superior, Wisconsin, and terminates in Sarnia, Ontario, Canada, as well as a copy of the operator response plan for the Line 5 pipeline and if a rupture were to occur on the Bad River Reservation of the Bad River Band of Lake Superior Chippewa."
PHMS-2023-00147	5/24/2023	E&E News	requested "a copy of any emails between any and/or all of the following PHMSA officials/staff ---Tristan Brown, Casey Clemmons, Howard McMillan, Samantha Keitt and Alan Mayberry --- and any and/or all of the following persons at Enbridge Inc. --- including Gregory Ebel, Matthew Akman, Colin Gruending, Vern Yu, Allen Capps, Dean Patry and Marc Weil ---- that discuss the Line 5 pipeline, the Bad River reservation, and/or the Bad River Band of Lake Superior Chippewa. The domain for Enbridge is @enbridge.com. The time window for my request is between May 1, 2023, and May 24, 2023."
PHMS-2023-00150	5/24/2023	E&E News	requested "a copy of any email communications between Samantha Keitt and Darius Kirkwood, as well as Dani Simons, that discusses or mentions a press inquiry from Carlos Anchondo on May 23, 2023, about the Line 5 pipeline. The time window for this request is between May 22, 2023, and May 24, 2023."
PHMS-2023-00148	5/25/2023	DOT/OIG	requested consultation and review of two pages of PHMSA records withheld in an OIG FOIA Appeal regarding Energy Transfer Nederland Terminal, LLC (CPF 4-2018-50215).
PHMS-2023-00149	5/25/2023	MARAD	requested consultation on two-page PHMSA document located in FOIA search for records in MARAD.

PHMS-2023-00151	5/25/2023	AEI Consultants	requested records of any (recent and/or historical) releases, incidents (including maps, sampling, and corrective actions taken); and easement maps if available for the property: Hudson, 13131 - 6th Cleveland Spur 100 located at 680 Broadway Avenue, Bedford, OH.
PHMS-2023-00153	5/31/2023	Individual	requested all FOIA Logs from 2000 - present to include all documents, all attachments and all pertinent records.
PHMS-2023-00154	6/1/2023	Hilcorp Alaska	requested the Inspection Assistant Output Report (IOR) for Inspection Activities 161588 and 164510, including ALL RESULTS display, for Activity Unit 15395; the Inspection Results Report (IRR), in spreadsheet format, for inspections conducted in 2018 and 2019 on Activity Unit 15395; documentation associated with Investigations listed as Activity IDs 19-152249 and 18-125536.
PHMS-2023-00155	6/6/2023	-	requested 2022 applications and awards for the PHMSA 2022 Natural Gas Distribution Infrastructure Safety Modernization Grant Program for: City of Tallahassee, Alabama - \$9,749,000; City of Lanett, Alabama - \$4,303,235; City of Graysville, Alabama - \$5,032,493; City of Hawkinsville, Georgia - \$680,316; City of Donaldsonville, Louisiana - \$10,000,000; Town of Woodworth, Louisiana - \$2,064,007; City of Carencro, Louisiana - \$3,445,760; City of Morgan, Louisiana - \$6,882,339; and, the City of New Albany Gas Department, Mississippi - \$4,851,000.
PHMS-2023-00156	6/6/2023	City of Safford	requested copies of the awarded 37 PHMSA FY 2022 Natural Gas Distribution Infrastructure Safety and Modernization Grant applications.

PHMS-2023-00157	6/6/2023	Edgar Snyder & Associates	requested 1. Investigative notes, maintenance records, contracts, emails, manifests, documents provided by Norfolk Southern, and/or investigative reports, emails, or derailment response documents in the possession of your agency identifying the owners, as of February 3, 2023, of railcars onboard Freight Train 32N on February 3, 2023. 2. Investigative notes, maintenance records, contracts, emails, manifests, documents provided by Norfolk Southern, and/or investigative reports, emails, or derailment response documents in the possession of your agency identifying the owners or previous owners, between February 3, 2021 and February 2, 2023, of railcars onboard Freight Train 32N on February 3, 2023. 3. Investigative notes, maintenance records, contracts, emails, manifests, documents provided by Norfolk Southern, and/or investigative reports, emails, or derailment response documents in the possession of your agency identifying planned and actual routes for Train 32N on February 3, 2023, including scheduling and logistics for train cars on Train 32N. 4. Investigative notes, maintenance records, contracts, emails, manifests, documents provided by Norfolk Southern, and/or investigative reports, emails, or derailment response documents in the possession of your agency indicating planned and actual routes for Train 32N from February 3, 2021 through February 3, 2023. 5. Investigative notes, maintenance records, contracts, emails, manifests, documents provided by Norfolk Southern, and/or investigative reports, emails, or derailment response documents in the possession of your agency indicating any completed or suggested maintenance or repairs between February 3, 2021 and February 3, 2023 on any railcars transported by Train 32N on February 3, 2023. 6. Investigative notes, maintenance records, contracts, emails, manifests, documents provided by Norfolk Southern, and/or investigative reports, emails, or derailment response documents in the possession of your agency indicating any inspections done between February 3, 2021 and February 3, 2023 on any railcars transported by Train 32N on February 3, 2023. 7. Investigative notes, maintenance records, contracts, emails, manifests,
PHMS-2023-00158	6/6/2023	E&E News	requested "a copy of an operator response plan for Enbridge Inc.'s Line 3 pipeline, which carries crude oil from Edmonton, Alberta, Canada, to Superior, Wisconsin."
PHMS-2023-00159	6/7/2023	Muck Rock News	requested all communications to/from your agency and Sen. JD Vance and his staff.; and, all communications to/ from your agency and Sen. Maria Cantwell and her staff.
PHMS-2023-00160	6/7/2023	E&E News	requested a copy of an operator response plan for Enbridge Inc.'s Line 3 pipeline and Line 93. On page 16/145 of Enbridge materials, it says: "the portion of the line from Hardisty to Superior is now known as Line 93; the portion from Edmonton to Hardisty is known as Line 3." See that here: <a href="https://www.enbridge.com/~/_media/Enb/Documents/Factsheets/FS_EnergyInfrastructureAssets.pdf?la=en">https://www.enbridge.com/~/_media/Enb/Documents/Factsheets/FS_EnergyInfrastructureAssets.pdf?la=en</a> . I request a copy of an operator response plan for both portions of the line mentioned above.

PHMS-2023-00161	6/8/2023	University of Rochester	requested "all information given in comments made by Federal legislators (members of the United States House of Representatives or the United States Senate) on any proposed rules issued by your agency or subsidiary agencies between 2003-2022. Specifically, I request the following for each these comments to include 1. The text of the comment; 2. The date of when each comment was received; 3. The document number, docket number and RIN of all proposed rules for each comment; 4. Title information of the comment; 5. Author(s) of the comment; and, 6. Any other meta data available on the comment. If it is too difficult to locate only legislator comments, I will accept the requested information on all available comments on proposed rules within the specified time frame. In this case, I request any information that will facilitate identification of comments made by federal legislators, including any fields which indicate that the commenter is a legislator or a member of government. If all the requested information is not available, I will accept whatever information requested that is available. If the requested information is already publicly available, I request that a publicly accessible link or other access to this information be provided.
PHMS-2023-00162	6/8/2023	National Highway Traffic Safety Administration	requested consultation on PHMSA records located during a response to a NHTSA FOIA request containing <u>PHMSA staff emails</u> .
PHMS-2023-00164	6/9/2023	Partner Engineering and Science, Inc.	requested pipeline incident(s) involving pipelines that intersect I-80/94 and Kennedy Avenue in Hammond, IN.
PHMS-2023-00166	6/12/2023	Individual	requested information regarding tickets issued by FMCSA.
PHMS-2023-00167	6/13/2023	Onalaska Water and Gas Supply Group	requested a copy of a FY2022 successful PHMSA/NOFO <u>grant application please</u> .
PHMS-2023-00168	6/13/2023	Eric J. Hertz, P.C.	requesting all documentation and correspondence regarding both ConMed and Sterigenics related to a hazardous materials incident involving Ethylene Oxide exposure in Smyrna, GA.
PHMS-2023-00169	6/13/2023	Utility Engineering Consultants, LLC	requested copies of the awarded applications for Cordova, Graysville, Tallassee and Lanett in Alabama.
PHMS-2023-00170	6/13/2023	McCoy Leavitt Laskey LLC	requested records regarding an incident on January 24, 2020 at 175 Winter Street, Hanover, MA and all records related to Hingham Lumber Company in Cohasset, MA for the past 12 months.
PHMS-2023-00171	6/13/2023	CA DOJ	requested records provided to Plains related to the May 2016 Failure Investigation Report, Plains, LP Line 901 Crude Oil Release, Mary 19, 2015 and documents in litigation related to the deposition of Peter Katchmar scheduled for June 22, 2023.
PHMS-2023-00172	6/13/2023	America First Policy Institute	requested Fiscal Years 2022 and 2023 records detailing all attorney fee awards that the agency paid under the Back Pay Act (5 U.S.C. 5596(b)(1)(A)(ii)), including for each case: The total amount of attorney fees awarded; The hourly rate that attorney fees were paid at; The party receiving such attorney fees; and The "unjustified or unwarranted personnel action" that was corrected; and the total amount of underlying back pay awarded or otherwise paid out pursuant to 5 U.S.C. 5596(b)(1)(A)(i) These records are likely maintained in the Office of General Counsel or Labor-Management Relations Office.

PHMS-2023-00173	6/16/2023	Terracon	requested environmentally significant information for the property located on the northeast corner of Lakewood Boulevard & Barrington Road (PIN 01-36-102-004), Hoffman Estates, Cook County, IL, 60192. Please include information regarding: remediation efforts, hazardous waste storage or generation, aboveground storage tanks (ASTs), underground storage tanks (USTs), soil/groundwater samples, previous environmental reports, or similar reports.
PHMS-2023-00174	6/20/2023	Environmental Works, Inc.	requested information regarding A crude oil pipeline release was identified in the ERNS database (NRC Report #: 958174) dated October 27, 2010. According to the ERNS listing, the pipeline was damaged by a bulldozer during tree removal on the subject property, and approximately 18,000 barrels of crude oil were released to the subsurface and groundwater. No release information was reported on the National Pipeline Mapping System or in the National Response Center 2010 Report. Can you provide records of a pipeline release located in Creek County (NE Quarter of Section 16, Township 9E, Range 18N) from the responsible party Sunoco Logistic, including records of releases, remediation, sampling and analysis, assessments, closure, and correspondence?
PHMS-2023-00175	6/21/2023	Adams Broadwell Joseph & Cardozo	requested "a copy of any public records related to the Aera CarbonFrontier Project ("Project"), proposed by Aera Energy ("Applicant"). The Applicant proposes to construct and operate a carbon capture sequestration project within the North and South Belridge oilfields in Kern County, California. The proposed project would capture carbon dioxide (CO2) from existing sources within the South Belridge oilfield and transport it by pipeline to dedicated Class VI injection wells within the North Belridge oil field to be injected into identified geologically confined reservoirs for storage. The CO2 distribution pipelines and associated infrastructure would be new construction applications, reports, notices, agreements, approvals, resolutions, analyses, permits, studies, comments, memorandums, notes, writings, recordings, internal or interagency communications, communications with consultants, and correspondence—including emails by and between the Department of Transportation ("DOT"), DOT Offices, the Applicant, the County of Kern, and any other materials related to the Project. If the DOT identifies such documents, we request that the DOT provide us with the links to responsive records that are available on the Internet."
PHMS-2023-00176	6/21/2023	City of Peoria	requested "any and all communication to or from Wolf Carbon Solutions regarding the design, construction, and operation of the Illinois Pipeline portion of the "Mt. Simon Hub." The Mt. Simon Hub as used herein is the proposed CO2 capture, pipeline and sequestration system that will transport CO2 from Cedar Rapids and Clinton, Iowa to a storage facility near Decatur, Illinois. Please provide all responsive records between January 1, 2023 to present."
