Concerns

No Preliminary Concerns.

This document is for informational purposes only. It does not commit PHMSA or state pipeline safety regulators to any of the findings, analyses, determinations, conclusions or other information contained herein. All the findings, analyses, determinations, conclusions or other information in the document are preliminary in nature and subject to change without notice, at the discretion of PHMSA. The absence of findings, analyses, determinations, conclusions or other information in this document does not constitute an approval of an operator's facility, records, or procedures. Future inspections or investigations may identify additional matters of concern regarding topics that were covered during this inspection.
