**Re: Equitrans Midstream Corporation, CPF No. 1-2023-053-NOPSO
Second Quarterly Report**

Dear Mr. Burrough,

Pursuant to Paragraph 21 of the Consent Agreement between Equitrans Midstream Corporation (Equitrans) and the Pipeline and Hazardous Materials Safety Administration (PHMSA or the Agency) in the above-referenced matter, Equitrans submits this quarterly report for the Agency's review.

I. Paragraph 16: ACVG/DCVG Surveys

To date Equitrans has performed 29 DCVG Surveys (263.7 miles) along the Mountain Valley Pipeline. Reviewing the data showed that 80 excavations needed to be completed to either validate the data or remediate the coating. Reports are posted to BOX

(b) (4)

II. Paragraph 17: Coating

Equitrans submitted the Observation and Closeout Letter from KTA Tator for PHMSA's review on December 18, 2023. Documents are posted on BOX

(b) (4)

III. Paragraph 19: ILI Tool Runs

Equitrans has completed twenty-one caliper tool runs (251.8 miles) on various segments along the Mountain Valley Pipeline. Reviewing the data showed that 50 anomalies needed to be excavated for further analysis or remediation. Data and documents for these runs and the follow-up remedial work is posted on BOX (b) (4).

Please contact me if you have any questions related to the information provided in this report.

Sincerely,

DocuSigned by:
