PHMS-2024-00330	09/17/2024	The Daily Signal	Requested the following records from WILLIAM QUADE, DEPUTY ASSOCIATE ADMINISTRATOR FOR POLICY AND PROGRAMS: All sent communications [via the Custodian's outbox; not received communications] mentioning 'Trump' AND 'Reduction in Force' OR 'RIF'.
PHMS-2024-00331	09/17/2024	The Daily Signal	Requested the following records from TRISTAN BROWN, DEPUTY ADMINISTRATOR: All sent communications [via the Custodian's outbox; not received communications] mentioning 'Trump' AND 'Reduction in Force' OR 'RIF'.
PHMS-2024-00332	09/17/2024	The Daily Signal	Requested the following records from ADIL AHMED, SENIOR ADVISOR: All sent communications [via the Custodian's outbox; not received communications] mentioning 'Trump' AND 'Reduction in Force' OR 'RIF' from January 20, 2021 to the present.
PHMS-2024-00333	09/17/2024	Government Accountability Project	Requested copies of all inspection records and reports for the Energy Transfer pipeline that exploded in La Porte, Texas on September 16, 2024, from the PHMSA's Southwestern Region. Specifically, we are seeking inspection records/reports, corrective action reports, enforcement actions, compliance reviews, audit reports, reports related to the pipeline's operation and

			<p>maintenance, including but not limited to annual reports, Incident reports, accident reports, maintenance records repair records, records related to the pipeline's permitting and certification, including but not limited to permit applications, permit approvals, certification records, compliance certifications, records related to any previous incidents or accidents involving the Energy Transfer pipeline in the La Porte, Texas. The timeframe is from January 1, 2024 to September 16, 2024.</p>
PHMS-2024-00334	09/19/2024	Kanner & Whiteley, LLC	<p>Requested records relate to the northern portion of the Pegasus Pipeline, which runs from Patoka, Illinois to Corsicana, Texas and is currently owned by Permian Express Partners. Unless otherwise noted, the Requested records relate to the time period of May 20, 2024, through the present. You Requested all records concerning proposed restart plans for the Pegasus Pipeline, including any documents or communications between Permian Express and PHMSA relating to review, consideration, denial, or acceptance of the same; all records concerning Remedial Action Workplans for the Pegasus Pipeline submitted by Permian Express, including all documents or communications between PHMSA and Permian Express relating to denial or acceptance of the Remedial Action Workplan; all records, including discussions between PHMSA and Permian Express as well as correspondence between third parties, concerning pipeline integrity testing methods and results of the Pegasus Pipeline, including metallurgical testing, hydrostatic testing, in-line inspections, valve studies, and evaluations of pipeline susceptibility to longitudinal seam failure; all records concerning the spill response plan for the Pegasus Pipeline required under 49 C.F.R. part 194, including the current plan, training programs and supplemental spill response training reports, and submissions and discussions between PHMSA and Permian Express regarding revisions or modifications to the plan; and, all copies of PHMSA's review letters on Permian Express's Remedial Work Plan beginning in August 2019.</p>
PHMS-2024-00335	09/19/2024	Center for Biological Diversity	<p>Requested records documenting the state waiver, PHMSA's review of the State Waiver, communications about the State Waiver, and determinations made about the State Waiver in addition to records that document whether CA-324 and CA-325 are formally considered interstate pipelines or intrastate pipelines and the import of that designation from January 1, 2023 to the present.</p>
PHMS-2024-00336	09/20/2024	The New York Times	<p>Requested copies of formal enforcement letter or letters sent to Neuralink in 2023 or 2024 related to compliance inspections conducted by PHMSA Hazardous Materials Safety Investigators at Neuralink facilities in 2023. To help find this record, this relates to PHMSA enforcement actions against the company for violations of Federal Hazardous Materials Regulations (HMR). During one of the inspections, PHMSA identified instances where the company shipped flammable liquids in improperly closed packaging. The company also failed to register with PHMSA as a hazmat shipper. As a result of the violations, PHMSA assessed Neuralink two civil penalties totaling \$2,480. This should help you find the enforcement letter or letters. I do not need all the records. Just the enforcement letter.</p>

PHMS-2024-00337	09/24/2024	The Daily Signal	Requested documents sufficient to account for all documents or finalized reports submitted to the U.S. Government Accountability Office ('GAO') mentioning 'Antideficiency Act' or 'Antideficiency Act Report'.
PHMS-2024-00338	09/25/2024	Edward Festeryga PLLC	Requested copies of all records and inspection files and data for the past 5 years regarding the December 5, 2023, Explorer Pipeline explosion in Port Arthur, TX.
PHMS-2024-00339	09/26/2024	The Daily Signal	Requested documents sufficient to identify and account for all materials submitted by the Agency through the OMB MAX Portal (https://collect.max.gov) during the previous fiscal year, including, but not limited to, responses to requests for Information (RFIs), documentation related to strategic plan implementation responses, periodic assessments (e.g., 30-day, 60-day, 90-day, 120-day assessments), underlying data, policy responses, and any other associated records. Please include all documents (.pdf, .doc, .docx, .ppt, .pptx, .csv, .xls, .xlsx, etc.) that were uploaded by the agency into OMB Max throughout the fiscal year. Search Instructions: Please limit all searches in response to this to the timeframe of October 1, 2023 to September 25, 2024.
PHMS-2024-00340	09/27/2024	- The Daily Signal	Requested all FOIA logs, Appeal Logs, and Mandatory Declassification Review (MDR) logs produced or created by the agency for Quarter 4 of the fiscal year (1 July through 27 September, 2024).
PHMS-2024-00341	09/27/2024	Stevenson & Murray	Please allow this to serve as a formal FOIA request for a complete unredacted copy of all documents, statements, photographs, diagrams, reports, or similar documents pertaining to an explosion that occurred on May 8, 2024, at the Williams Compressor Station 60, 2988 Highway 964 in Jackson, Louisiana 70748. This request is legal in nature, and we are willing to pay all fees relating to processing this request. Thank you, Laurie Nichols
