**3rd Qtr 2025 FOIA Log**  
**Received between 04/01/2025 and 06/30/2025**

<b>Request ID</b>	<b>Received Date</b>	<b>Organization</b>	<b>Request Description</b>
PHMS-2025-00170	04/01/2025	Waters Kraus Paul & Siegel	Requested copies of records maintained by PHMSA relating specifically to the following pipelines operating in Washington, Idaho, and Wyoming: 1. Northwest Pipeline (a/k/a Williams Pipeline). 2. Olympic Pipeline, 3. Trans Mountain Pipeline, and records related to any other petroleum, natural gas, or petrochemical pipelines regulated by PHMSA in Washington State, including but not limited to pipelines operated by or connected to refineries, petrochemical plants, or other petroleum production and processing facilities within the state. Requested records include: 1. PHMSA inspection and audit reports, integrity evaluations, compliance assessments, safety evaluations, and associated documentation for the pipelines listed above, and for other petroleum and natural gas pipelines regulated by PHMSA within Washington State. 2. Notices of Probable Violation (NOPVs), Corrective Action Orders (CAOs), consent orders, civil penalty assessments, enforcement actions, and all related correspondence involving these pipelines. 3. Incident investigation reports, spill or leak notifications, incident summaries, follow-up reports, and related documents pertaining to pipeline incidents in Washington State. 4. Pipeline Integrity Management Program documents submitted by operators, including integrity test results, corrosion control data, risk assessments, leak surveys, and all operator compliance filings. 5. Internal PHMSA correspondence, memoranda, emails, and reports evaluating pipeline safety, integrity management compliance, potential hazards, or regulatory issues involving these pipelines. 6. Communications between PHMSA and Washington Utilities and Transportation Commission (UTC), Washington Department of Ecology, Federal Energy Regulatory Commission (FERC), National Transportation Safety Board (NTSB), EPA, OSHA, or any other federal or state regulatory agencies regarding pipeline safety, compliance, or environmental concerns relating to the pipelines identified above. 7. Records relating to emergency response plans, public safety assessments, emergency preparedness drills, or PHMSA evaluations of pipeline operators' emergency response capabilities. 8. Maps, GIS data, or documents identifying pipeline routes, high-consequence areas, environmentally sensitive zones, or regions identified by PHMSA as having heightened risk or regulatory concern within Washington State. 9. Documents identifying contractors, subcontractors, or consultants involved in pipeline integrity assessments, compliance audits, incident

			responses, or remediation activities related to these pipelines This request specifically seeks materials related to benzene and associated regulatory activity.
PHMS-2025-00171	04/28/2025	Waters Kraus Paul & Siegel	Requested copies of the full files and all records previously produced by PHMSA in response to the following FOIA requests: PHMS-2024-00003, PHMS-2024-00106, 2020-0234, 2020-0247 and 2017-0158.
PHMS-2025-00172	04/03/2025	Private Individual	Requested sealed file. I need the index number, where it is filed, and anything else pertaining to the lawsuit. I am missing my guardianship, trusts, and agreements. The USDOT number is 0523181. I also need the bonds from the January 2000 until December 2006, under the same USDOT number. The USDOT truck number was 0523181.
PHMS-2025-00173	04/03/2025	Tank Holding/Snyder Industries	Requested documentation and communication regarding PHMSA issuance of CA-9711004 and CA1997110004. The request includes the application submitted for the initial issuance as well as the application submitted for subsequent revisions as well as the internal communication regarding the issuance of the CA's.
PHMS-2025-00174	04/08/2025	CBS News	Requested the PHMSA report that was written after the 1986 Sun Pipeline Leak in King of Prussia, PA.
PHMS-2025-00175	04/09/2025	Disabled Service Member - US-Navy Retired	Requested records on himself showing his physical body biometrics were illegally scrubbed away and I'm seeking the ability for human rights violations from March 3-10, 2025, in Woodland, CA.
PHMS-2025-00176	04/10/2025	Council on Environmental Quality	Requested consult on disclosure of DOT Equities located in 18 pages of records in response to their FOIA request 2024-186.
PHMS-2025-00177	04/11/2025	Brown, Lippert & Laite	Requested records related to a November 28, 2023 explosion at Jimbo's Auto Repair in Hillsboro, OH.
PHMS-2025-00178	04/11/2025	Private Individual	Requested a copy of a grant provided by the Pipeline and Hazardous Materials Safety Administration to the International Association of Machinists (IAM) to run the Corporation for Re-Employment and Safety Training (CREST). On October 1, 2008, The Department of Transportation (DOT) Pipeline Hazardous Material Safety Administration (PHMSA) awarded CREST funding for the Pipeline Hazardous Material Instructor Training grant to develop hazardous material instructor curriculum and a train the trainer training program for the Air Industry and extended to the Rail Industry in 2014. The latest version of this grant is from 2024, but I would also like a copy of the first grant given back in 2008. The 2024 DOT Grant # is: 693JK323NF0009.
PHMS-2025-00179	04/11/2025	Energywire	Requested all records in reference to the April 8, 2025 Keystone Pipeline incident near Fort Ransom, ND. The date range is April 7, 2025 - April 11, 2025.
PHMS-2025-00180	04/14/2025	Center for Biological Diversity	Requested consultation from OST on records including correspondence, documenting, or mentioning DOT's expedited review of Delfin LNG as instructed by presidential executive order from November 1, 2024 to the present with 19 specific search terms from five offices in specific geographic locations.
PHMS-2025-00181	04/14/2025	Dawson & Sodd, PLLC	Requested all records pertaining to incidents and accidents reported by WWM Operating, LLC (Operator Number 39572) in the last five years, including but not limited to the incident identified by Report Number 20230116.
PHMS-2025-00182	04/15/2025	Energywire	Requested a copy of the following documents: 1. A repair and restart plan filed by South Bow to the Pipeline and Hazardous Materials Safety Administration following an incident on April 8, 2025, near Fort Ransom, North Dakota,

			on the Keystone pipeline, as required by a corrective action order (CAO) issued on April 11, 2025. 2. A copy of any communication sent by PHMSA to South Bow that authorizes South Bow to restart the Keystone pipeline. 3. A copy of documentation from South Bow showing the planned pressure set points at all pump stations and facilities necessary to limit the operation of the South Bow Keystone Pipeline on sections of the pipeline containing pipe manufactured by Berg Steel Pipe Corporation installed in the United States. 4. A copy of documentation from South Bow that all set-points to maintain the maximum operating pressure limits specified below have been implemented, including any necessary updates or changes to controls and protective equipment. The time window for this request is between April 11, 2025, and April 15, 2025.
PHMS-2025-00183	04/15/2025	E&E News	Requested access to and documentation of information sufficient to show the number of people now employed by the Pipeline and Hazardous Materials Safety Administration and, separately, the Office of Pipeline Safety.
PHMS-2025-00184	04/16/2025	Turnbull, Moak & Pendergrass	Requested all investigation reports and the complete file for an accident that occurred on August 11, 2024 at or near the residential structure located at 2300 Arthur Woods Drive, Bel Air, Maryland
PHMS-2025-00185	04/17/2025	Energy Renewal Partners	Requested information on an oil leak that occurred in 2015. It appears the reporting date was 2/9/2015 and had a report number of 20150042. There is a supplemental final as well with a report number of 22726. The company that reported was Enterprise Crude Pipeline LLC.
PHMS-2025-00186	04/17/2025	Clyde & Co	Requested any records responsive to the following requests regarding the Marathon Pipeline Release - Wood River to Patoka System on March 11, 2022, National Response Center#: 1330806, - Evidence of pollution as a result of Marathon's Pipe Line activity, including the presence of oil on land and/or in water; - Evidence that Marathon's oil discharge had the effect of making the environment harmful or dangerous; - Evidence of Marathon's oil releasing onto land or into water, including underground water and biota.; - Any request, demand, order issued by your organization pertinent to testing, monitoring, cleaning up, removing, containing, treating, detoxifying, neutralizing, or in any way responding to or assessing the effects of the oil spill beginning on or around March 11th 2022 to present; - Any claim by your organization for damages against Marathon (or any of its entities) because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying, neutralizing, in any way responding to, or assessing the effects of the oil spill; - Any materials defining what qualifies as a pollutant or listing oil as a pollutant; - Any correspondence between your organization and Marathon (or any of its entities) including but not limited to any alleged violations of a statutory or regulatory authority; - Any invoices or receipts for costs incurred due to cleaning up or removing oil from the environment including land and water; - Any agreement between your organization and Marathon (and any of its entities) regarding the responsibility of costs spent cleaning up the oil spill and/or complying with local or federal regulations;- Any records of work performed by your organization's employees to test for, monitor, clean up, remove, contain, treat, detoxify, neutral, or in any way response or assess the effects of the oil spill; - Any records identifying the structure and hierarchy of unified command

			and the responsibilities of each organization with regards to the cleanup and remediation process .
PHMS-2025-00187	04/18/2025	Energywire	Requested a copy of the following documents: 1) Any emails between South Bow employees/representatives and Department of Transportation/PHMSA employees that discuss, or pertain to the scheduling of, a meeting on April 15, 2025 (noted in this PHMSA post on X: <a href="https://x.com/PHMSA_DOT/status/1912599898337268135">https://x.com/PHMSA_DOT/status/1912599898337268135</a> ). 2) A copy of any notes taken by DOT or PHMSA during or after that April 15, 2025, meeting with South Bow executives. The time window for this request is between April 14, 2025, and April 17, 2025.
PHMS-2025-00188	04/21/2025	Pope Francis	Not a FOIA Request
PHMS-2025-00189	04/24/2025	Hunterbrook Media	Requested a current map of the Twin Oak-Newark Pipeline operated by Energy Transfer; a list of all reports of gasoline odor PHMSA received in 2025 that are located within five miles of the Twin Oak-Newark Pipeline; and the Notice of Proposed Safety Order from February states that PHMSAs preliminary investigation also indicates that the leak originated at a sleeve installed in the mid-1990s, that there are at least 44 other sleeves of a similar vintage installed at other locations on the Pipeline, and that these locations may be at risk of experiencing a similar leak in the future.
PHMS-2025-00190	04/25/2025	Chartwell Law	Requested records for an accident on October 7, 2024 at 1702 Beacon Hill Blvd, Atlanta, GA.
PHMS-2025-00191	04/25/2025	Serkland Law Firm	Requested any and all documents or reports related to any investigation, final report, finding(s), or recommendation(s), issued; any and all photographs or witness statements; any and all documents related to any forensic examination; and any and all documents received from any third-party entity related to a residential home explosion in the 4600 block of Cortez Circle, Mandan, North Dakota on January 18, 2023.
PHMS-2025-00192	04/25/2025	E&E News	Requested a copy of any communication, either via email or letter(es), between the Pipeline and Hazardous Materials Safety Administration (PHMSA), including PHMSA's Office of Pipeline Safety (OPS), and representatives/employees of South Bow (email domain is @southbow.com) that discuss or mention the Keystone pipeline system, a corrective action order issued on April 11, 2025, and/or a rupture of the Keystone pipeline on April 8, 2025, near Fort Ransom, North Dakota. The time window for this request is between April 18, 2025, and April 25, 2025.
PHMS-2025-00193	04/28/2025	The Daily Signal	Requested documents sufficient to account for all FOIA and Mandatory Declassification Review (MDR) logs for Quarter 1, 2025 (comprising of the dates of January 1, 2025 through 30 April, 2025). Please comply fully with 5 U.S.C. § 552(b).
PHMS-2025-00194	04/28/2025	Berry & Smith	Requested any old insurance documents or any information or paperwork that you may have in relation to our company from the 1970's to 1990's.
PHMS-2025-00195	04/29/2025	Nation Union Bar Treatment Act (NUBTA)	Request referred from the Department of Transportation's FOIA Office, referral number OST-2025-1649 to the PHMSA on 4/21/2025. You stated: I am asking the Department of Transportation to release all staff, members Names, release employees email address, release all employee resumes, State of New Hampshire, State of Maine, U.S. Department of Transportation Office of the Secretary (OST), National Highway Traffic Safety Administration(NHTSA), Federal Aviation Administration (FAA), Office of Inspector General, (OIG), Federal Highway Administration (FHWA), Pipeline and Hazardous Materials Safety Administration (PHMSA), Federal Motor Carrier Safety Administration (FMCSA), Federal

			Railroad Administration(FRA), Great Lakes St. Lawrence Seaway Development Corporation(GLS),Federal Transit Administration (FTA).
PHMS-2025-00196	04/30/2025	Europe Educative Science (EEDS)	Referral from Department of Transportation's FOIA Office, referral number OST-2025-1648 to the Pipeline and Hazardous Materials Safety Administration to release all staff members names, email address, employee resumes in the State of Massachusetts, for loyalty questions, and for laboring process as well as for the following Agencies: U.S. Department of Transportation Office of the Secretary (OST), National Highway Traffic Safety Administration (NHTSA), Federal Aviation Administration (FAA), Office of Inspector General (OIG), Federal Highway Administration (FHWA), Pipeline and Hazardous Materials Safety Administration (PHMSA), Federal Motor Carrier Safety Administration (FMCSA), Federal Railroad Administration (FRA), Great Lakes St. Lawrence Seaway Development Corporation (GLS), Federal Transit Administration (FTA), and Maritime Administration (MARAD)."
PHMS-2025-00197	04/30/2025	Nation Union Bar Treatment Act (NUBTA)	Referral from Department of Transportation's FOIA Office, referral number OST-2025-1650 to the Pipeline and Hazardous Materials Safety Administration (PHMSA) and received PHMSA's FOIA Office on the April 30, 2025 requested employee names and email address in the State of South Dakota as well as the following agencies: U.S. Department of Transportation Office of the Secretary (OST), National Highway Traffic Safety Administration(NHTSA), Federal Aviation Administration (FAA), Office of Inspector General, (OIG), Federal Highway Administration (FHWA), Pipeline and Hazardous Materials Safety Administration (PHMSA), Federal Motor Carrier Safety Administration (FMCSA), Federal Railroad Administration(FRA), Great Lakes St. Lawrence Seaway Development corporations(GLS),Federal Transit Administration (FTA).
PHMS-2025-00198	04/30/2025	Nation Union Bar Treatment Act (NUBTA)	referred from the Department of Transportation's FOIA Office, referral number OST-2025-1651 to the Pipeline and Hazardous Materials Safety Administration (PHMSA) and received on April 30, 2025. You requested employee names and email addressed in the State of Idaho as well as the following agencies: U.S. Department of Transportation Office of the Secretary (OST), National Highway Traffic Safety Administration(NHTSA), Federal Aviation Administration (FAA), Office of Inspector General, (OIG), Federal Highway Administration (FHWA), Pipeline and Hazardous Materials Safety Administration (PHMSA), Federal Motor Carrier Safety Administration (FMCSA), Federal Railroad Administration(FRA), Great Lakes St. Lawrence Seaway Development corporations(GLS),Federal Transit Administration (FTA)Maritime Administration"] (MARAD).
PHMS-2025-00199	05/01/2025	Private Individual	Direct referral to PHMSA from the USDOJ/FBI regarding unclassified PHMSA equities located in records in their possession.
PHMS-2025-00200	05/02/2025	Energywise	Requested a copy of any communication, either via email or letter(s), between the Pipeline and Hazardous Materials Safety Administration (PHMSA), including PHMSA's Office of Pipeline Safety (OPS), and representatives/employees of South Bow (email domain is @southbow.com) that discuss or mention the Keystone pipeline system, a corrective action order issued on April 11, 2025, and/or a rupture of the Keystone pipeline on April 8, 2025, near Fort Ransom, North

			Dakota. The time window for this request is between April 26, 2025, and May 2, 2025.
PHMS-2025-00201	05/05/2025	Coastal Communities United	Requested any and all documents related to transportation infrastructure projects within 5 miles of Bryan County, GA mega site, to include US 280/SR 30, US 80/SR 80, and Interstate 16/SR 404, and related or connected roadways, including but not limited to: A list of projects (clarified to include each component individually scoped with specific funding allocations/approvals). For each project - 1. Total cost; 2. Funding source(s); 3. Design contractor; 4. Construction Contractor; 5. Traffic studies; 6. Environmental studies; 7. Other studies, including those related to Human impacts like safety, increased duration of commute, impacts to busses and school children, etc.; and 8. When started, when finished/expected completion."
PHMS-2025-00202	05/08/2025	Power the Future	Received an informal consultation from Department of Transportation's FOIA Office (OST) concerning PHMSA equities identified in 18 pages of records provided by the Department of Interior. These records were located in response to a search for certain described EOP correspondence. Request: "Copies of all electronic mail: a) sent to or from (whether as cc: or bcc:) Laura Daniel-Davis, b) dated at any time from January 21, 2021, through May 23, 2024, inclusive, that c) is also sent to, from or which copies any email address ending in @who.eop.gov, excluding calendar invitations.
PHMS-2025-00203	05/08/2025	Private Individual	Requested 1. a copy of any testing results or reports generated by PHMSA or anyone on behalf of PHMSA regarding the failure of the 16" inch line. 2. I request a copy of any testing results of the 16" inch line performed after the repairs/reconnection was completed. 3. I would like a copy of any documents submitted by Columbia Gas Transmission or TC Energy to PHMSA following the explosion in which either of the companies explain or describe what occurred on March 2, 2025, and what, if any, explanation they had for the explosion. 4. I would like a copy of any citations, warnings or other disciplinary action taken by PHMSA against Columbia Gas Transmission or TC Energy following the explosion on March 2, 2025.
PHMS-2025-00204	05/12/2025	Currie Associates	I would like a copy of the Tesla modification application sent to PHMSA's Office of Special Permits and Approvals. The modification request was submitted to DOT-SP 20493M published in the Federal Register, May 12, 2025 to authorize an additional battery.
PHMS-2025-00205	05/14/2025	Partner Engineering and Science, Inc.	Requester had specific questions regarding a BP pipeline. Referred to Community Assistance Team.
PHMS-2025-00206	05/14/2025	Butler Snow	Requester seeking information on Pilot Truck Stop in Grand Junction, CO. Regulated by EPA and Non-jurisdictional to PHMSA.
PHMS-2025-00207	05/15/2025	Private Individual	Requested an electronic spreadsheet (Excel or CSV) extracted from the Tank Car Management Information System (TCMIS) containing the following fields as of 4 May 2025: • Reporting mark and car number • DOT specification/class (e.g., DOT-111A100W1, DOT-117R100W) • Build year and last retrofit year • Current service status (active, stored, scrapped, etc.) • Owner name / AAR alpha code • Tank lining / insulation type (if available) • Gross rail load (GRL) and tank capacity (if available) Please limit the extract to cars whose owner, lessee, or reporting mark is

			associated with Trinity Industries or its affiliates (e.g., TRNX, TILX, TICX, TILX-LE).
PHMS-2025-00208	05/16/2025	The Vertex Companies, LLC.	Requested any information regarding releases associated with the following pipeline in Harris County, Texas? • Allendale to Arlington – Refined Liquid Product Transmission Pipeline; T-4 Permit 00018; Operator: Explorer Pipeline Company (in service).
PHMS-2025-00209	05/16/2025	Gary C. Johnson, P.S.C.	Requested copies of any and all records regarding Ferguson Energy Solutions., DOT Number 04192453: • MCS-150 • OP-1 • New Entrant Notice Letter • New Entrant Safety Audit • Targeted Warning Letters • On-Site Investigations • Proposed Safety Ratings • Requests to change • Cooperative Safety Plan • Notices of Violation • OOS Orders.
PHMS-2025-00210	05/20/2025	MLG Attorneys at Law, APLC	We are requesting documents of complaint and investigative reports regarding the transportation of lithium batteries ranging from May 20, 2015 to May 20, 2025 (10 years from date of today, 5/20/2025).
PHMS-2025-00211	05/20/2025	MLG Attorneys at Law, APLC	We are reaching out to request any documents pertaining to complaint and investigation for transportation of lithium batteries between the following dates January 01, 2023 through May 16, 2023.
PHMS-2025-00212	05/20/2025	MLG Attorneys at Law, APLC	We are reaching out to request any documents pertaining to complaint and investigative reports for transportation of lithium batteries ranging from January 01, 2017 through December 31, 2017.
PHMS-2025-00213	05/23/2025	The Protect Democracy Project	Requested record from January 27, 2025, through the date on which searches are conducted for records responsive to this request: the petition, and any accompanying justification or analysis, that the Department of Transportation's Pipeline and Hazardous Materials Safety Administration (PHMSA) submitted to the Office of Personnel Management (OPM) recommending the placement of position[s] into Schedule Policy/Career ("P/C"). Schedule P/C is the schedule in the excepted service created by President Trump's Executive Order No. 14,171, 90 Fed. Reg. 8,625 (Jan. 20, 2025). According to a January 27, 2025, memorandum, OPM instructed federal agency heads to submit interim recommendations for reclassification of positions into Schedule P/C on or before April 20, 2025.1 These petitions would likely have been submitted to OPM via email at employ@opm.gov with the email header reading "SUBJECT: Schedule Policy/Career" and no later than Sunday April 20, 2025.
PHMS-2025-00214	05/27/2025	University of Antwerp	Requested any internal memos, risk assessments, or guidance documents regarding the transport of human biological materials (organs, tissues, diagnostic samples) via ground or air transport, including drones; any incident reports or enforcement data involving logistical failure, loss, or damage of medical materials during transit; and any documents addressing insurance requirements or liability considerations for third-party transporters or UAV operators in medical supply contexts.
PHMS-2025-00215	05/30/2025	Spagnoletti Law Firm	Requested access to records in connection with an incident that occurred on or about May 20, 2025, aboard the pipeline rig known as "Energy Transfer," located near Port of Vermillion 149.
PHMS-2025-00216	05/30/2025	Shuman McCuskey Slicer PLLC	Requested records related to the Hammerhead Pipeline in Wetzel County, West Virginia. The following information is provided to help locate the requested records: Operator ID: 31601 Pipeline ID: NIHAD001 Pipeline Name: Hammerhead Pipeline Location: Wetzel County, West Virginia The request

			seeks all records related to this pipeline, including but not limited to: Inspection reports Enforcement actions, including notices of probable violation, consent orders, and consent agreements Incident reports and accident investigation files Annual reports Safety-Related Condition Reports, Integrity Management Records, and, correspondence between PHMSA and the operator (Operator ID 31601) related to the Hammerhead Pipeline in Wetzel County.
PHMS-2025-00217	06/02/2025	Straits of Mackinac Alliance	Requested "1. Copies of all reports and correspondence submitted by Enbridge Inc. and all of its subsidiaries to PHMSA on external inspections of the Enbridge Line 5 pipeline crossing of the Straits of Mackinac from 2010-present. 2. Copies of all summary reports submitted by Enbridge Inc. or its subsidiaries to PHMSA from any and all of its contractors who conducted external inspections of the Line 5 Straits of Mackinac."
PHMS-2025-00218	06/02/2025	Vertex Engineering	Requested "information regarding releases associated with the following pipelines in Houston, Harris County, Texas? BP PIPELINES (NORTH AMERICA), INC, FAIRBANKS - ALDINE JUNCTION - A - Crude Oil Transmission; T-4 Permit 00401."
PHMS-2025-00219	06/03/2025	Individual	Whistleblower complaint about undeclared shipment of lithium batteries in bulk by air carrier.
PHMS-2025-00220	06/06/2025	Clean Air Council	Requested records from July 1, 2022 through the present related to Homer City generation site redevelopment located at 1750 Powerplant Rd., Homer City, PA 15748, including but not limited to: permit application(s), pre-application communications, all correspondence, emails, electronic documents in any and all formats, maps, plans, photographs, calendar entries, meeting agendas, meeting minutes, dates and locations of relevant public hearings, handwritten and electronic notes and memoranda related to Homer City Generation, L.P., or Homer City Redevelopment.
PHMS-2025-00221	06/09/2025	Charleston Gazette - Mail	Requested all reports related to pipe joint welding reported to the Pipeline and Hazardous Materials Safety Administration by Michael Barnhill as a welding inspector for the Mountain Valley Pipeline from Jan. 1, 2020 through the date of the processing of this request. Please include any email correspondence between Barnhill and Joe Klesin, with the latter as PHMSA Eastern Region director, regarding any illegal weld and reports of any instructions Barnhill received on how to document any aspect of his inspections.
PHMS-2025-00222	06/10/2025	Liskow and Lewis, APLC	Requested all documents dated from 1971 to 2015 related or referring to a 16" gasoline, jet fuel, diesel, and heating oil pipeline known as the "Collins Pipeline" located in Louisiana and Mississippi. This pipeline is also sometimes referred to as the "Meraux-T&M terminal 16" Products Pipeline." This pipeline was installed in 1971 by the Collins Pipeline Company and is presently operated by PBF Energy and Valero and spans over 125 miles from Meraux, Louisiana to Collins, Mississippi. Limitation: Please exclude any documents which only relate to states other than Louisiana.
PHMS-2025-00223	06/10/2025	Energywise	Requested a copy of any and all emails between Joseph Klesin (joseph.klesin@dot.gov) and Michael Barnhill between October 9, 2023, and December 9, 2023. Joseph Klesin may also be identified as "Joe" Klesin. According to this complaint regarding MVP. <a href="https://subscriber.politicopro.com/eenews/f/eenews/?id=00000197-554b-da2a-a9bf-5f6b78d10000">https://subscriber.politicopro.com/eenews/f/eenews/?id=00000197-554b-da2a-a9bf-5f6b78d10000</a> ), Michael Barnhill reached out to Joseph Klesin in November 2023 and December 2023. My request is between October 9, 2023, and December 9, 2023.

PHMS-2025-00224	06/16/2025	Private Individual	Requested all records from January 1, 2012 through the present regarding the following: 1. All correspondence, including but not limited to emails, memos, letters, and other communications, between PHMSA and the U.S. Coast Guard, including but not limited to: MSD Canaveral Sector Jacksonville Sector Mobile Sector St. Petersburg Sector Los Angeles-Long Beach Districts Seven, Eight, and Eleven PACAREA LANTAREA U.S. Coast Guard Headquarters ...relating to: SpaceX Dragon capsules (Dragon 1, Dragon 2, Crew Dragon) SpaceX marine recovery operations The carriage, handling, or approval of hazardous materials (HAZMAT) aboard recovery vessels 2. All reports, studies, assessments, analyses, or internal reviews—including but not limited to technical evaluations, safety analyses, and inspection findings—related to SpaceX Dragon 1, Dragon 2, or Crew Dragon spacecraft or recovery operations. 3. PHMS-2025-00228	06/17/2025	Hinshaw & Culbertson LLP	Any and all incident report(s) (or any other report) prepared by William (Bill) Arrington or one of his colleagues at Pipeline and Hazardous Materials Safety Administration (PHMSA) done after the inspection of the Bill's Propane site post-fire. The fire occurred on July 20, 2023 at N. 40th Street in Phoenix, Arizona that impacted businesses adjacent to 215 N. 40th Street, Phoenix, AZ.
PHMS-2025-00229	06/18/2025	E&E News	Requested access to and copies of records of all communications between Joe Klesin of PHMSA and Michael Barnhill from Aug. 1, 2023, to the present. This would include an email from Barnhill to Klesin on Dec. 7, 2023, and any response. I also request all records of inquiries or investigations resulting from Mr. Barnhill's communications with PHMSA during this time.
PHMS-2025-00230	06/18/2025	Chesapeake Climate Action Network	Requested records from December 1, 2024 to the date PHMSA commences its search for responsive records. 1. All records, including applications and notices, related to the expansion of the Transco pipeline through Pittsylvania County, VA ("Transco Power Express project"). 2. All records related to any correspondence with external entities, including, but not limited to, the Executive Branch, other federal agencies, state and local governments, companies, corporations, associations, and lobbyists regarding the Transco Power Express project.
PHMS-2025-00231	06/25/2025	Private Individual	Received misdirected request from another DOT agency requesting incoming and responses to PHMSA FOIA Case #'s: 2019-0042, 2019-0047 and 2019-0084.
PHMS-2025-00232	06/26/2025	AES Clean Energy	I am conducting a title curative review in Stevens County, Kansas (near Road, L & Road8, Hugoton, KS 67951), related to a pipeline easement granted initially to Northern Natural Gas and later assigned to Enron Gathering Limited Partnership (EGLP) around 1994. I request the following: 1. Documentation of any FERC certificate transfers or asset sales involving EGLP assets in this region, to entities such as Kinder Morgan, Southern Union, Energy Transfer, and affiliates/successors. Both Kinder Morgan and Energy Transfer have confirmed they do not have any assets/pipelines in Stevens County, KS. 2. Records from PHMSA/NPMS confirming the current registered operator or owner of any pipeline infrastructure in the referenced area, including OPIDs or operator contact details. 3. Any related docket numbers, asset transfer filings, or operator assignments pertinent to the location described."
PHMS-2025-00233	06/26/2025	Private Individual	Requested the hazardous materials manifest, shipping papers, and relevant transport documentation for a Landstar-operated box truck involved in a hazardous materials incident on or around February 14, 2023, near Interstate 10 in Tucson, Arizona, close to the Raytheon facility and Davis-Monthan Air Force Base. This truck was reported to be carrying approximately 3,500 gallons of liquid nitric acid from Nevada. The crash resulted in a hazardous materials spill and the formation of a toxic plume. As of this writing, I have not located any publicly accessible manifest, transport

			<p>authorization, placard record, or escort documentation required under federal hazardous material transport laws. Referenced Incident Numbers: • Arizona Department of Public Safety (DPS) Incident Numbers: o I23009694 • Nuclear Regulatory Commission (NRC) Numbers: o 136-0022 o 136-0154 o 136-0060 o 142-1016 Requested Documentation: 1. The hazardous materials shipping papers, including bill of lading and any manifest or route authorization for this shipment. 2. Any hazmat incident, crash, or inspection report associated with this transport. 3. The USDOT number, HAZMAT safety permit, and carrier registration for the vehicle and driver. 4. Internal correspondence or federal agency reports referencing this incident under the IDs listed above.</p>
<a href="#">PHMS-2025-00234</a>	06/30/2025	E&E News	<p>Requested all records related to the calendar of Ben Kochman (PHMSA deputy administrator and acting administrator) from January 1, 2025 (or the beginning of his service this year) to the present. Please include all records that document Kochman's schedule, including but not limited to agenda sheets, appointments, day calendars, itineraries, Google calendars, Outlook calendars, programs, and timetables.</p>
