PIPELINE AND HAZARDOUS MATERIALS SAFETY ADMINISTRATION**

IN THE MATTER OF:

**PVS DX, Inc.

(Respondent)**

PHMSA Case No. 24-0117-SH-SW

COMPROMISE AGREEMENT

I. Parties

The Parties to this Compromise Agreement (Agreement) are:

PVS DX, Inc. (“Respondent”), a distributor of UN1017, Chlorine, 2.3 (5.1, 8) in 1-ton cylinders and other Class 2, 5.1, and 8 hazardous materials in non-bulk packaging,

and

The Pipeline and Hazardous Materials Safety Administration (“PHMSA”), a modal Administration of the United States Department of Transportation.

II. Authority/Jurisdiction

A. The Parties enter into this agreement under authority of 49 U.S.C. § 5123(e) and 49 C.F.R. § 107.327(a)(1).

B. For the Purposes of this Agreement, Respondent acknowledges:

(1) As an offeror of hazardous materials, Respondent is a regulated entity subject to the Hazardous Materials Regulations (HMR) and to the jurisdiction of (a) the Secretary of Transportation, (b) the PHMSA’s Associate Administrator for Hazardous Materials Safety, and (c) PHMSA’s Office of Chief Counsel (49 U.S.C. § 5103(b) and 49 C.F.R. § 107.301); and

(2) PHMSA has sufficient proof to show by a preponderance of the evidence that Respondent violated the Federal regulations listed in Section V below; and

(3) Respondent has received proper notice of PHMSA's actions in the proceeding.

III. Background

A. On April 26, 2024, an Investigator from PHMSA's Office of Hazardous Materials Safety Field Operations ("OHMSFO") conducted a routine compliance inspection at Respondent's business pursuant to 49 U.S.C. § 5121 and 49 C.F.R. § 107.305. PHMSA's investigator reported two (2) alleged violations of the HMR. At the conclusion of the investigation, PHMSA's Investigator conducted an "exit briefing" during which the investigator discussed the alleged violations and the required corrective actions with Respondent's representative.

B. Upon completion of the investigation, the investigator submitted a report to the Director of OHMSFO's Southwest Region, who reviewed the report for accuracy and sufficiency of evidence. Based on that review, the Regional Director referred the matter to PHMSA's Office of Chief Counsel thereby recommending the initiation of a civil penalty action against Respondent pursuant to 49 C.F.R. § 107.311.

C. Based on a preliminary assessment of the apparent nature, circumstances, extent, and gravity of the probable violation, as set forth in the inspector's report, on October 10, 2024, an attorney from PHMSA's Office of Chief Counsel issued a Notice of Probable Violation ("NOPV") alleging two (2) violations of the HMR and proposing a \$1,125 civil penalty.

IV. Basis of Agreement

A. Reply to Notice. On October 22, 2024, Respondent submitted a timely reply to the Notice.

B. Corrective Action. In correspondence dated April 30, 2024, Respondent submitted evidence of its corrective action taken in response to the exit briefing. Respondent explained that it posted its packaging closure instructions in the packaging area where IBCs and drums were filled and that its employees had been trained on the proper torquing and closure procedures of its packagings. Respondent also submitted recent general awareness training records for its employee who had not received timely recurrent general awareness training.

PHMSA finds that the foregoing corrective actions have corrected the violations outlined in the Notice and no further corrective actions are required.

C. Informal Response. On October 22, 2024, Respondent requested an informal conference to discuss the civil penalty. On October 28, 2024, PHMSA held an informal conference with Respondent.

D. Finances. Respondent has not requested mitigation based on finances.

V. Violations and Civil Penalty

In a subsequent Order, the Chief Counsel will find that Respondent committed the following violations and will assess the following civil penalty:

Violation No.	HMR Violation	NOPV Penalty Amount	Compromise Penalty Amount
1	Offering for transportation in commerce, a hazardous material, when the UN standard packaging had not been closed according to the packaging manufacturer or distributor's closure instructions, in violation of 49 CFR §§ 171.2(a), (b), and (e), 173.1(b), 173.22(a)(4), and 173.24(f)(2).	\$375	\$375
2	Allowing an employee to perform functions subject to the requirements of the HMR while failing to provide recurrent general awareness training, in violation of 49 CFR §§ 171.2(a) and (b); 172.702(a); and 172.704(a) and (c)(2).	\$750	\$0
TOTAL	-----	\$1,125	\$375

VI. Factors Considered in Determining the Civil Penalty

In determining the amount of a civil penalty, PHMSA considered the following statutory criteria (49 U.S.C. § 5123(c)):

- (1) The nature, circumstances, extent, and gravity of the violation;
- (2) The degree of culpability and history of prior violations;
- (3) Respondent's size;
- (4) Respondent's ability to pay the penalty and its ability to continue to do business; and
- (5) Other matters as justice may require.

In consideration of Respondent's corrective actions for these violations as described *supra*, and in the interest of settlement, I am quality controlling Violation 2, assessed for failure to provide recurrent general awareness training, and removing the penalty associated with that violation, for a total penalty of \$375.

VII. Terms and Conditions

A. Respondent agrees to pay the sum of \$375 as full satisfaction of the civil penalty proposed in the NOPV. Respondent is to make the payment within thirty (30) days of the date the Chief Counsel issues the Compromise Order, which will issue after Respondent signs and returns this Agreement.

B. By entering into this agreement, Respondent waives:

(1) Any right to present further written or oral explanations, information, and arguments in this matter;

(2) Any right to Administrative appeal; and

(3) Any right to seek judicial review or otherwise contest or challenge the validity of this Agreement or the Notice associated with this case.

C. This Agreement resolves only the violations noted in PHMSA Case No. 24-0117-SH-SW, as referenced in Section V of this agreement. In the event Respondent commits any future violations of the Federal Hazardous Material Transportation Law, 49 U.S.C. § 5101 *et seq.*, the HMR, or any exemption, or order issued thereunder this violation shall constitute a prior violation under 49 U.S.C. § 5123.

D. After Respondent signs and returns this Agreement, PHMSA's representative will present the Agreement to the Chief Counsel requesting that the Chief Counsel adopt the terms of this Agreement by issuing a Compromise Order (49 C.F.R. § 107.327(a)(1)). The terms of this Agreement constitute an offer of compromise until accepted by the Chief Counsel.

E. After issuance of the Compromise Order, Respondent must pay the civil penalty in accordance with the terms of this Agreement. Upon receipt of Respondent's final payment, the Chief Counsel will close this case with prejudice to the Respondent (49 C.F.R. § 107.327(a)(1)(ii)).

F. Respondent neither admits nor denies any allegations of fact or law with regard to the alleged violations committed by Respondent contained in this Agreement.

VIII. Miscellaneous Provisions

A. By signing this Agreement, Respondent or its representative warrants to have read the agreement and understood its terms and conditions.

B. The individuals signing on behalf of the Respondent and PHMSA represent that they are authorized to sign and have authority to enter into this Agreement.

C. Respondent's failure to sign and return this agreement within thirty (30) days from its receipt will result in the withdrawal of this Agreement and the Chief Counsel will issue an Order pursuant to 49 C.F.R. §§ 107.317(d), for the full amount of the penalty proposed in the Notice.

D. Respondent must return the signed Agreement to:
