**1st Qtr FOIA Log
 Received between 10/01/2025 and 12/31/2025**

Request ID	Received Date	Organization	Request Description
PHMS-2025-00305	10/08/2025	Gordon Rees Scully Mansukhani	Our office is seeking information regarding Report No. 20230288-38897. Pursuant to the Freedom of Information Act, we are requesting any and all documents, data, and any other available associated information or reports in connection with the DOT investigation stemming from or related to the above-mentioned report.
PHMS-2026-00001	10/01/2025	Hicks Johnson	This is a request under the Freedom of Information Act. I request copies of the following records: any and all documents, records, investigations, communications, or evidence related to PHMSA Case No. 21-0160-PC-SW, In the Matter of 5 Star Industrial Containers, LLC. Docket No. PHMSA-2021-0096.
PHMS-2026-00002	10/01/2025	X-Onepass Global, LLC	Refined scope (RY 2025-2026 only, July 1, 2025 - June 30, 2026): Please provide records sufficient to show for RY 2025-2026: 1. Subpart G registrant counts, split by residency category: U.S. vs. non-U.S. (the overall total is implied by this split); and 2. The Top 5 non-U.S. countries by registrant count (with counts).
PHMS-2026-00003	10/03/2025	Goodwin Como P.C.	Any reports, memorandum, correspondence, documents, communications, inspections, questionnaires, responses, recommendations, notes, notices, inspections, and logs concerning PHMSA's audit of the Pratt Underground Gas Storage (UGS) Facilities which occurred August 28, 2018 through August 30, 2018 at the EQT Midstream office, Jefferson, Pennsylvania, including any communications or documents submitted by EQT Midstream concerning or in response to the audit. Any reports, memorandum, correspondence, documents, communications, inspections, questionnaires, responses, recommendations, notes, notices, inspections, and logs concerning PHMSA's investigation or inspection of EQT Midstream or Equitrans Midstream Pratt Well 3660 (API 37-059-01015) following an explosion which occurred on October 31, 2018 including but not limited to those generated by Mike Yazemboski or James Pfeifle including any communications or documents submitted by EQT Midstream or Equitrans Midstream in response to the investigation or inspection of said well.
PHMS-2026-00004	10/06/2025	SAFE Laboratories & Engineering	Any records including any submitted incident report(s) related to a fire involving a natural gas distribution service line occurring on: September 18, 2025 at the residential address of 22 Habersham Way Northwest, Atlanta, GA 30305 Thank you kindly, Jerry R. Tindal, P.E.
PHMS-2026-00005	10/08/2025	Environmental Justice Initiative	For the time period January 1, 2015 through the present, any and all of the following records: 1. Title VI complaints (and any amendments) and records related to requests for Title VI investigations received by PHMSA. 2. Rehabilitation Act complaints (and any amendments) and records related to requests for Rehabilitation Act investigations received by PHMSA. 3. All records that: a. acknowledges receipt of Title VI complaints or Rehabilitation Act complaints. b. communicate any outcome of jurisdictional review

			determinations regarding Title VI and/or Rehabilitation Act complaints. c. communicate dismissal, suspension, referral and/or other disposition of Title VI and/or Rehabilitation Act investigations and complaints. d. concern uses of Alternative Dispute Resolution, settlement, or informal agreement to resolve any specific Title VI and/or Rehabilitation Act matters. e. communicate any final disposition and/or closure of Title VI and/or Rehabilitation Act complaints. f. responds to, rebut, or deny any issues raised by Title VI or Rehabilitation Act compliance review. g. otherwise relates to PHMSA's enforcement of Title VI and/or the Rehabilitation Act. 4. All records that: a. notifies recipients or applicants that they will be subject to a compliance review pursuant to Title VI or Rehabilitation Act. b. informs recipients or applicants of the nature of and/or schedule for Title VI or Rehabilitation Act compliance review. c. communicates any findings and final outcomes of Title VI or Rehabilitation Act compliance reviews. d. pertains to compliance reports. e. responds to, rebut, or deny any issues raised by Title VI or Rehabilitation Act compliance review. f. concern appeals or requests for reconsideration of PHMSA's determinations in the Title VI or Rehabilitation compliance reviews, as well as any amendment to those appeals or reconsideration requests. g. concern uses of enforcement actions relating to Title VI or Rehabilitation compliance reviews.
PHMS-2026-00006	10/08/2025	Howell & Rowlett, PLLC	Any and all information regarding the fire and explosion at 5992 Colby Hunt Court, Haymarket, VA from 2020 to the present.
PHMS-2026-00007	10/16/2025	Nelson Mullins Riley & Scarborough	Request access to and copies of records maintained by the Pipeline and Hazardous Materials Safety Administration (PHMSA) pertaining to MCR Oil Tools, LLC ("MCR"). Specifically, I request: 1. Records showing whether MCR holds a PHMSA Operator Identification Number (OPID) and identifying any pipeline facilities it operates. 2. Records concerning PHMSA's determinations, valuations, or reclassifications of MCR's products (including MCR's thermite mixtures and Radial Cutting Torch) as "explosive," "hazardous materials," or "nonhazardous." 3. Internal PHMSA communications regarding the classification, transportation, or regulation of MCR's products. 4. Communications between PHMSA and MCR regarding the classification, transportation, or regulation of MCR's products. 5. Interagency communications between PHMSA and Department of Transportation, Bureau of Alcohol, Tobacco, Firearms and Explosives ("AFT") or other federal agencies regarding the classification, transportation, or regulation of MCR's product. 6. Meeting notes, appeals, petitions, or reconsideration requests submitted by MCR concerning the classification of MCR's products. 7. Records showing whether PHMSA independently verified the third-party data. 8. Records identifying which testing laboratories evaluated MCR's thermite-containing products. 9. Records showing any PHMSA audits or reviews of the adequacy, completeness, or reliability of MCR submitted test data regarding the classification of MCR's thermite-containing products. 10. Records comparing the classification of MCR's products to similar thermite-containing articles submitted by other manufacturers (e.g., Chammas Cutters, Owen Oil Tools). The time period for these requests is January 1, 2020 to October 1, 2025.
PHMS-2026-00008	10/16/2025	Nelson Mullins Riley & Scarborough	I respectfully request access to, and copies of records maintained by the Pipeline and (PHMSA) pertaining to MCR Oil Tools, LLC ("MCR"). Specifically, I request: 1. Documents discussing or analyzing the consistency of PHMSA's classification decisions across different manufacturers of thermite-based products or tools. 2. Records showing PHMSA's rationale for deviating from SMS's recommendations regarding PTFE/Mg formulations. 3. Communications between PHMSA and industry groups,

			<p>lobbyists, competitors, or legal representatives concerning the classification of thermite-containing products. 4. Records showing complaints, objections, or petitions regarding the classification or approval of MCR's products. 5. Any internal PHMSA discussions referencing public relations, litigation risk, or economic impact related to the classification of MCR's products. 6. Records discussing the impact of the Fifth Circuit Court's ruling on PHMSA's classification of MCR's products. 7. Any internal legal memorandum or guidance interpreting the Fifth Circuit Court's decision and its implications for future classification policy. 8. Records of any reported incidents, safety concerns, or transport-related events involving MCR's thermite containing products. 9. Records showing risk assessment or hazard analysis conducted by PHMSA regarding the transport of MCR's Radial Cutting Torch or products. The time period for these requests is January 1, 2020 to October 1, 2025.</p>
PHMS-2026-00009	10/21/2025	Individual	<p>I request copies of all records concerning my Presidential Management Fellows (PMF) termination, effective December 31, 2025, created, sent, received, or stored by the following PHMSA officials: Michael Reles, Chief Financial Officer, and Thanh-Ha Nguyen, Director, Budget & Finance. This request includes all communications between these individuals or with any other PHMSA employees, assistants, deputies, or program staff, where the communications reference or relate to my PMF appointment, termination, separation, or workforce adjustments associated with the PMF program sunset or Executive Order "Commencing the Reduction of the Federal Bureaucracy" issued February 19, 2025. I request all forms of records, including but not limited to emails, chat logs, Teams messages, instant messages, calendar entries, meeting invitations, notes, drafts, internal analyses, preliminary versions of documents, memos, attachments, spreadsheets, and reports, as well as internal evaluations, recommendations, or discussions regarding workforce adjustments. Please search all relevant digital systems, including email accounts, collaboration platforms, shared drives, and document repositories, for responsive records. I request that all responsive records be provided in electronic format (PDF or native digital format) whenever possible. The requested date range is August 1, 2025 - October 16, 2025. I</p>
PHMS-2026-00010	10/21/2025	Kinkead & Stiliz, PLLC	<p>This is a request under the Freedom of Information Act (5 U.S.C. 552) for records of the U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration ("PHMSA") related to its approval of the Kentucky Public Service Commission's (the "PSC") 49 U.S.C. § 60105(a) certifications which include, but are not limited to all correspondence, emails, letters, reports, acceptances, approvals, agreements, certifications, etc., exchanged between PHMSA and PSC regarding certifications submitted to PHMSA from PSC pursuant to § 60105(a) in 2023, 2024, and 2025 including, but not limited to, those relating to: (a) the attached September 2024, submissions (and similar submissions during these three years) of the Kentucky Public Service Commission; and (b) any 5(a) Agreements with the United States Department of Transportation, Office of Pipeline Safety, for the enforcement of the federal pipeline safety laws, 49 U.S.C. § 60101, et seq., and regulations promulgated thereunder.</p>
PHMS-2026-00011	10/21/2025	Stantec Consulting Services Inc	<p>We are requesting records related to two releases that occurred in the Midway-Sunset oil field in Southern California. We are looking for specific location of the releases and if any remedial action/investigations were completed. The releases were listed on the National Pipeline Viewer. The report numbers listed on the viewer are 20090271 (Conoco Phillips line) and 20150372 (Phillips 66 Pipeline).</p>

PHMS-2026-00012	10/24/2025	Individual	I was hoping you might be able to assist me, under the Freedom of Information Act (5 U.S.C. § 552), by providing (where available) an electronic list of companies that are licensed, authorized, or registered by your authority (Pipeline and Hazardous Materials Safety Administration – PHMSA, U.S. Department of Transportation) and, where relevant, the U.S. Nuclear Regulatory Commission (NRC) to handle or transport ADR Class 1 (explosive substances) and ADR Class 7 (radioactive materials) during the past three years. If possible, it would be very helpful to receive the following basic company information in a simple table (CSV or XLSX preferred): • Company name (as shown on the license) • Postal code / city / country • Activity type (carrier, consignor, packager, storage operator etc.) • Hazard class (1 and/or 7) Please note that I am only requesting non-personal, non-security-sensitive company data. If parts of this information cannot be shared for safety reasons, I would greatly appreciate any summary version or anonymized dataset you are able to provide. The data will be used as part of the Global Hazardous Goods Regulatory Mapping (G-HaRM) Project, an academic research initiative at m university focusing on international regulatory frameworks and supply chains for hazardous goods.
PHMS-2026-00013	10/24/2025	Kinkead & Stilz, PLLC	Duplicate of PHMS-2026-00010.

PHMS-2026-00048	12/03/2025	Environmental Defense Center	On or about November 26, 2025, Sable Offshore Corporation (Sable) sent a letter to the Pipeline and Hazardous Materials Safety Administration (PHMSA) requesting that PHMSA (1) determine that the pipelines connecting the Santa Ynez Unit to the Pentland Station terminal in Kern County, CA (the "Pipeline System") is an interstate pipeline system and (2) provide guidance on transitioning oversight of the pipeline system from the California Office of the Fire Marshal to PHMSA. We seek a copy of this letter and any correspondence between PHMSA and Sable regarding the Pipeline System that occurred between November 1, 2025, and the date at which PHMSA begins its search in response to this request. Accordingly, the undersigned hereby request, on behalf of the Requestors, that PHMSA provide copies (preferably in electronic PDF format) of the following records pursuant to FOIA, 5 U.S.C. § 552 et seq.: • A copy of the letter Sable sent to PHMSA on or about November 26, 2025, concerning the Pipeline System. • All communications, inclusive of any attached documents, exchanged between PHMSA (including staff, contractors, and consultants) and Sable (including representatives, staff, contractors, and consultants) from November 1, 2025, through the date at which PHMSA begins its search in response to this request, that relates to the letter or regulatory oversight of the Pipeline System.
PHMS-2026-00049	12/03/2025	Wilson Elser Moskowitz Edelman & Dicker LLP	Please consider this a FOIA request for the authorization letter, the application, and the Special Permit for Amazon.com, Inc. for SP16413 that was in effect on June 4, 2023.
PHMS-2026-00050	12/03/2025	Sine Rivali, LLC	Annual data for the years 2016-2025, as described below, related to the administration and enforcement of the provisions in 49 CFR 193 by the Pipeline and Hazardous Material Administration within the Dept. of Transport. 1) Total number of PHMSA inspections per year (2016- 25)

			related to the provisions in 49 CFR 193 completed at the approx. 170 LNG facilities within the U.S. 2) Total number of hours per year (2016 - 25) PHMSA inspectors spent performing these inspections. 3) Total number of PHMSA conducted audits related to the provisions in 49 CFR 193 per year (2016 - 25) at approx. 170 LNG facilities. 4) Total number of hours per year (2016 - 25), PHMSA inspectors spent conducting these audits. 5) Number of Enforcement Actions, per year (2016 - 25), by type of action (e.g. Warning Letter, NOPV, etc.) issued related to the provisions of 49 CFR 193 6) Number of Enforcement Actions, per year (2016 - 25) by the specific provision(s) within 49 CFR 193 (e.g. number of actions per 193.2017 - Plans and Procedures, 193.2059 -Flammable vapor-gas dispersion protection, etc.) 7) Enforcement fines assessed and fines collected, per year (2016 - 25) related to the provisions of 49 CFR 193.
PHMS-2026-00051	12/05/2025	Noozhawk	We would like to request a copy of the letter/email sent by Sable Offshore Corp. on Nov. 26, 2025 to the Pipelines and Hazardous Materials Safety Administration regarding a request to concur with the company's determination that the Santa Ynez Unit transportation pipeline is an interstate pipeline. The pipeline is in Santa Barbara County, California. We would also like to request any additional correspondence to PHMSA from Sable Offshore Corp. sent on Nov. 26 , 2025. We also request a written response sent to Sable from PHMSA between Nov. 26, 2025 and Dec. 5, 2025.

PHMS-2026-00059	12/09/2025	National Park Service	Duplicate of 2026-00060.
PHMS-2026-00060	12/09/2025	National Park Service	We are requesting the report and any supporting documentation for incident 3421. Railroad Commission of Texas Field Inspector Derek Lawerence met with our team and informed us that this is the proper avenue for obtaining these records. The incident occurred on NPS administered property and would be helpful in documenting the leak and its response .The incident was a natural gas condensate leak that occurred on or around 4/24/25 near Sanford, Texas. The pipeline IACX Rock Creek and now owned by Cimmaron Midstream. Remediation efforts were being made by Talon LPE.
PHMS-2026-00061	12/11/2025	Hall Booth Smith	Request for all investigation records, materials, photographs, recordings, and reports pertaining to the following incident event: Date of Incident Fire: November 5, 2022 Location of Fire: 429 East 52nd Andrew Cooke Date of Investigation: December 08, 2022.
PHMS-2026-00062	12/11/2025	A2X/Anderson Alexander	Thank you for your November 20, 2025 letter regarding FOIA request PHMS-2026-00030. Additionally, to facilitate processing and minimize costs, I am narrowing Section III (CenterPoint Energy Compliance History) of my November 19, 2025 request as follows: Section III is now limited to CenterPoint Energy's Texas operations only (not nationwide) for the period 2022-present (not 2020-present). (Date Range for Record Search: From 1/1/2022 To 12/11/2025)

PHMS-2026-00063	12/12/2025	Cozen O'Connor	Please provide all reports, photos, and data related to the explosion on 8/11/24 at 2300 Arthur Woods Drive, Bel Air, Maryland.
PHMS-2026-00064	12/16/2025	Partner Engineering and Science, Inc	I would like to request any available relevant documentation (from the United States Department of Transportation, Pipeline and Hazardous Materials Safety Administration [USDOT PHMSA]) for Hazardous Material Incident Report# I-2002010952, which was noted to take place on August 31, 2001 at the property of 2080 West US Highway 90, Lake City, Florida 32055. It was noted that approximately 40 gallons of fuel oil were spilled during a fuel delivery to Richardson Oil (Bulk Plant) aboveground storage tanks (ASTs).
PHMS-2026-00065	12/16/2025	Interlochen Public Radio	All correspondence with Lambda Energy Gathering LLC, including any reply, communications or materials submitted in response to CPF 3-2025-009-WL
PHMS-2026-00066	12/18/2025	Individual	Request for Identification of Downstream Pipeline Interconnects – Crescent Gas Plant, Logan County, Oklahoma Pursuant to federal pipeline safety and registration requirements, I hereby request identification of all pipeline operators, interconnects, and downstream transmission or gathering systems receiving gas from the Crescent Gas Plant and associated compressor facilities located in Logan County, Oklahoma. Specifically, please identify the following: 1. The pipeline operator or operators receiving gas downstream of the Crescent Gas Plant; 2. The regulatory classification of each downstream pipeline segment (gathering or transmission); 3. The operator name and PHMSA Operator Identification Number for each downstream line; 4. Any registered pipeline interconnects associated with the Crescent Gas Plant or the Phillips Compressor Station operated by Otter Creek Midstream, LLC; 5. Any PHMSA registration filings, annual reports, or notifications identifying custody transfer points associated with these facilities. The Oklahoma Corporation Commission has confirmed that it does not audit, or track gathering system routing, custody transfer, or downstream processing destinations and relies on PHMSA registrations and filings to identify pipeline operator responsibility.
PHMS-2026-00067	12/22/2025	Prime Tuel & Miceli	With respect to the Consent Agreement in the Matter of Sunoco Pipeline LP, a subsidiary of Energy Transfer, LP, CPF No. 4-2025-054-NOPSO, dated May 2, 2025 I request: 1. Copy of Remedial Work Plan (referenced in Para. 15) and any and all inspection reports for the Property located at Block 93; Lots 19, 20, 45.01, 46 & portion of 60 as designated on the Tax Map of the Township of Hopewell, County of Mercer, State of New Jersey.
