

## RULES AND REGULATIONS

the documentation required by Block 5 of the form to the Small Business Advisor. In addition to the documentation called for in § 7-1.704-6, the Contracting Officer shall furnish a copy of his written determination exempting the procurement from screening. The determination shall cite the pertinent facts which led to his decision. This exemption is not intended to be used as a substitute for good procurement planning and lead time; the Small Business Advisor will report abuses of this exemption to the Head of the Procuring Activity for appropriate action in accordance with § 7-1.704-4(c).

(c) *Institution Building Contract (IBC) Exemption.* The Contracting Officer shall prepare AID Form 1410-14 as stated in § 7-1.704-6, but forward only the duplicate copy with the documentation required by Block 5 of the form to the Small Business Advisor.

3. Subpart 7-16.8 of Chapter 7 is revised to read as follows:

**Chapter 101—Federal Property Management Regulations**

**SUBCHAPTER E—SUPPLY AND PROCUREMENT**

**PART 101-25—GENERAL**

**Use Standards for Draperies**

Use standards are established for determining the areas for which draperies may be justified.

The table of contents for Part 101-25 is amended by the addition of the following new entry:

Sec.  
101-25.302-7 Draperies.

**Subpart 101-25.3—Use Standards**

Section 101-25.302 is amended by adding § 101-25.302-7 as follows:

**§ 101-25.302-7 Draperies.**

Draperies are authorized for use where justified over other types of window coverings on the basis of cost, insulation, acoustical control, or to maintain an environment commensurate with the purpose for which the space is allocated, as when executive or unitized office furniture is authorized in § 101-25.302-1. Authorized draperies shall be of noncombustible or flame-retardant material. (See § 101-19.109-5.) Determining whether the use of draperies is justified is a responsibility of the agency occupying the building or space involved after consultation with the agency operating or managing the building.
