

Mr. W. E. Mickelson
Chief Engineer - Gas Operations
Central Telephone & Utilities Corp
P. O. Box 82888
Lincoln, Nebraska 68501

Dear Mr. Mickelson:

This is in reply to your letter of November 5, 1970, requesting this Office to review the requirements of 49 CFR, Section 192.201.

We will regard your letter as a request for additional rulemaking. It will be considered and may provide the basis for a notice of proposed rulemaking.

Thank you for your interest in pipeline safety.

Sincerely,

/signed/

Joseph C. Caldwell
Director, Acting
Office of Pipeline Safety
