Definition of "Business District"

Operation & Compliance Officer

Marshall Taylor

This is to assist you in defining the term "business district" as set forth in Section 192.723, 49 CFR.

A "business district" is an area marked by the distinguishing characteristic of being used in the conducting of buying and selling commodities and service, and related transactions. A "business district" would normally be associated with the assembly of people in shops, offices and the like and in the conduct of such business.

It is the responsibility of the operator to determine if an area is a "business district".
