

January 13, 1975

Mr. John T. Stanclift
114 Woodlawn Street
Geneva, OH 44041

Dear Mr. Stanclift:

In your letter of December 16, 1974, you ask us to define the term "business district" as used in section 192.723(b)(1) of the Federal gas pipeline safety standards. A business district is an area containing shops and offices where persons engage in the purchase and sale of commodities or in related financial transactions.

In answer to your second question, you may contact the Ohio Public Utilities Commission about any questions you may have concerning the Federal gas Pipeline safety standards. The address is as follows:

Mr. Ralph Masselli
Ohio Public Utilities commission
11 North High Street
Columbus, OH 43215

Thank you for your interest in pipeline safety.

Sincerely

Joseph C. Caldwell
Director
Office of Pipeline Safety

December 16, 1974

Mr. Joseph Caldwell, Director
Office of Pipeline Safety
Department of Transportation
400 - 6th Street, S.W.
Washington, D.C. 20590

Dear Mr. Caldwell:

I would appreciate it if you would define the term, "business district", as used in section 192.723(b)(1) of the regulations of the Natural Gas Pipeline Safety Act of 1968.

Also, please tell me who I may contact, in the state of Ohio, about any questions I may have concerning the Federal gas pipeline safety standards.

Please send reply to:

John T. Stanclift
114 Woodlawn Street
Geneva, Ohio 44041

Truly yours,

John T. Stanclift
Safety Committee Chairman
Natural Gas Workers Union
